MESSAGES FROM MANAGEMENT

Director of Studies Ralph Millington

It is with great pride that I am able to address you in our Yearbook here at HeadStart. The 2012-13 academic year was another great step forward for our school.

Our success is reflected by the ever growing waiting lists of potential students eager to be a part of this highly successful school. One great way of seeing if a school is getting it right is by looking at the faces of our students. Outside my office I see the smiling and happy faces of the Secondary school students and my daily visits to the Primary building is always greeted with a sea of joyful expressions from our younger learners.

Success in a school is dependent on the success of the teachers. As a management team we have insisted on the highest standards and the results have been excellent. I am constantly challenging the team and the response has been fantastic.

Our students are now working hard on improving the school image even further by producing superb results in the Cambridge Primary and Secondary Checkpoint examinations, IGCSE examinations, and our first AS level results.

CBT, the UK international accreditation agency, are now firmly embedded in our continuous growth as a school and we look forward to full accreditation in May 2014, just in time for the new campus move and our next great challenge.

Exciting times ahead for all connected to HeadStart International School. I do hope you enjoy our Yearbook.

Head of Secondary Mark Goodman

I truly believe that children who attend HeadStart are learning in a high-quality school environment that prepares them for the critical and analytical skills required within today's global community. Our teachers recognize that children learn in different ways, that they need to have opportunities to solve problems, think creatively and divergently, make decisions and become independent learners and thinkers.

Learning and achievement motivates everything that we do at HeadStart. Our job, in partnership with parents, is to build the foundations for a successful education, to enable each child to discover a lifelong love of learning, to help them to fulfill every aspect of their potential and to encourage their development into effective citizens, ready to play their part in the world and their community.

At HeadStart, you will find a campus in which students are happy, inquisitive learners; teachers who provide interesting, innovative, child-centred lessons; and a place where staff and students work together to make education a rich and rewarding experience for everyone.

I am very proud to be associated with HeadStart and am delighted at the many achievements of our students. I am also more than happy to meet with parents to discuss their child's future.

Since the beginning, HeadStart International School has been following a very simple and strict policy. This policy revolves around encouraging all students, regardless of nationality and ethnicity, to become individuals with knowledge, to discover ones own natural skills and interests, and most importantly, to develop and reach their full potential. This is achieved by learning the correct virtues, ethics and principles.

In recent years, the school has aimed to improve all aspects of this educational environment, including improvement and development of the new British curriculum that is now recognized around the world, and which benefits our students in their educational and future careers. I am confident that our students who pass this level of education will step into the world prepared and ready for the challenges ahead.

Despite all the improvements and success this school has experienced, this institute would not have progressed the way it has without the help and cooperation of all the teachers, staff, and especially the parents for their vision and involvement in the development of HeadStart. We have grown into a mature and learning-orientated community, one very popular among Phuketians. I would like to thank all those who have been supporting the school since the very beginning until now and for many more years to come.

I would like to wish all of our graduating students, IGCSE and AS Level students the best of luck with their exams, and the best for their futures and what may lie ahead.

COUNCIL

The Student Council is an organisation that aims to view the school from the students' perspective. It consists of a President, Secretary and Class representatives led by senior founders and is a way of rewarding students with the responsibility in making decisions for the school, as well as representing and socializing between classes.

The council's main aim is to make the school student-friendly and a monthly meeting is set by the Chair. Each class has a representative that reaches out to the students to collect ideas or complaints to see how the school can be improved. These ideas are passed on to the council and the Chair will then take them into consideration and pass them on to other senior founders. From there onwards, the school management team will see if the ideas are feasible.

KHUN JIT

In their efforts to promote and encourage local traditions and customs in our school, our Thai teachers strive to maintain the Thai identity among our students. As a result, this has helped our students to excel in their studies, not only keeping their Thai status, but also learning the work ethics of the Western world. I believe this will definitely aid them on the world stage. Students have enjoyed experiences such as visiting several historical sites, boy/girl scouting activities, Thai culinary skills, and many more meaningful projects. I hope that we can organise many more successful Thai-cultural activities in the coming academic year.

จากความพยายามของคณะครุไทยในการทุ่มเทปลูกฝีเรื่อง เอกลักษณ์ความเป็นไทยและวัฒนธรรมไทยให้กับนักเรียนไทย ของเรา เมื่อทุกมองรวมกันวัฒนธรรมต่างๆที่หลากหลายในโรงเรียนนานาชาติ จึงเป็นผลทำให้นักเรียนไทยของเรามีความได้เด่น ผสมผสานความเป็นสากล บวกกับความเป็นไทยได้อย่างลงตัว และพัฒนาภาษาไทยที่นานาชาติได้อย่างสมบูรณ์ ที่ผ่านมาทางโรงเรียนได้จัดกิจกรรมที่ส่งเสริมความเป็นไทย มากมาย ไม่ว่าจะเป็นกิจกรรมทัศนศึกษาเชิงประวัติศาสตร์ กิจกรรมลูกเสือ และหวังว่าจะมีกิจกรรมเข่นนี้ในปีการศึกษาต่อไป

KRU NEE

In the past few years, our Thai teachers have enthusiastically pushed towards teaching and organising lessons and activities that bring the most out of Thai culture in all aspects of daily life, so that our students will learn to be good, hardworking and genuine members of society. I would like to take this opportunity to thank them, the students, and all the parents for supporting us in our goal to maintain the Thai identity in our school. I am very proud of all our students and their achievements at HeadStart and hope they reach the goals they set out to achieve.

ตลอดระยะเวลาที่ผ่านมา ทางคณะครุไทยได้มุ่งพัฒนาการเรียนการสอน และจัดกิจกรรมส่งเสริมความเป็นไทยมาอย่างต่อเนื่อง เพื่อหล่อหลอมให้นักเรียนของเรามีคุณภาพและเป็นสมาชิกที่ดีของสังคม ดิฉันจึงขอใช้โอกาสนี้ ขอบพระคุณ คณะครุไทย นักเรียนและผู้ปกครองทุกท่าน ที่ให้การสนับสนุนด้วยดีมาตลอด ดิฉันภูมิใจที่ได้เห็นความสำเร็จของนักเรียนทุกคน และขอให้นักเรียนชั้น Year 11 และ Year 12 ของเราระลึกความสำเร็จในรั้วมหาวิทยาลัยต่อไป

Après cinq années de fonctionnement de la section française, c'est avec joie que j'ai observé le chemin parcouru par certains élèves. Je vous ai vu grandir, gagner en autonomie, progresser et j'espère avoir contribué au mieux à vous y aider. Les plus âgées, après avoir brillamment réussi votre examens de brevet des collèges l'an passé, vous avez travaillé dur cette année encore pour achever votre première année de lycée et vous saurez, j'en suis sûre, poursuivre avec succès votre scolarité. Les collégiens et les élèves de primaire avez-vous aussi eu de gros effort à fournir. Vous avez tous bien mérité vos vacances. Cependant moi, c'est le cœur un peu triste que je pars en vacances puisque je ferme la section française l'an prochain. Vous allez tous me manquer. Bonne chance pour votre scolarité future!

"Ce fut une année chargée en événements ! En classe, entre chants, jeux de rôles, adaptations de BD au théâtre et autres activités... Nous ne nous sommes pas ennuyés ! Nous avons cuisiné des crêpes pour célébrer La Chandeleur, certains sont allés au marché et ont préparé une délicieuse salade de fruits frais, d'autres ont appris à danser le French Cancan qu'ils ont présenté lors de la journée internationale. Journée pendant laquelle les étudiants ont fièrement organisé un quiz de culture générale française qu'ils avaient préparé en équipes. Tout le monde a participé activement et avec motivation à la décoration du stand représentant les couleurs de la France, bravo !!!

Bonnes vacances et à l'année prochaine pour de nouvelles aventures !"

CLASS MANDARIN

Message from Teacher Honglian Wang (Aileen)

We have had a great year in Mandarin class, one full of enjoyment and challenge. In the classroom, students have notched up considerable success in their academic achievements. Outside the classroom, learning has continued with various cultural activities. During our Chinese New Year activities, students learned the tradition of making Chinese dumplings, experiencing the fan dance, Kung Fu and Taichi fan practice, making New Year decorations and receiving red envelopes. Everyone had fun and enjoyed the most important Chinese Festival. It was a fantastic sight as our Year 5 girls did a Chinese fan dance dressed in traditional costume for the International Day celebration. Year 6 and 9 students went on a trip to Phuket Thai Hua Museum. It was a great experience to gain knowledge about the history of Phuket's Chinese and their way of life away from their native land, how they managed to amass their fortunes, their successes, their relationship with other people, traditions, dress and diets.

I look forward to a wonderful and fruitful academic year ahead in the Mandarin class.

今年的中文课上，我们一起度过了一个充满乐趣和挑战的一年。

在课堂上，学生们努力学习，成绩有了稳步的提高。课外，学生们还参与了各种各样的文化活动。在庆祝春节活动期间，学生们学习了春节传统习俗，一起包饺子、剪纸、做灯笼彩绘；体验了扇子舞，功夫和太极扇，收到红包等，大家一起度过了一个其乐融融的传统春节。五年级女生们身着旗袍表演的扇子舞也成为庆祝国际日活动上一道亮丽的风景。六年级的学生们参观了普吉泰华博物馆，了解了聚居于普吉的华人华侨的文化习俗及日常生活面貌、饮食文化、服饰等等。

憧憬硕果满载的新学年！
