## Mandarin

Message from Honglian Wang (Aileen), Mandarin Teacher

This year has been a fantastic one for Chinese! Learning Mandarin has continued to be both challenging and full of enjoyment. In the classroom, students have continued to work hard and have notched up considerable success in their academic achievements. Outside the classroom, learning has continued through the medium of various cultural activities. During our studies about Chinese New Year, students learned about the many traditions. They made and tasted Chinese spring rolls, experienced round silk fan painting; made decorations and red envelopes. Everyone had fun and enjoyed the most important of all Chinese festivals. The International Day celebration was a wonderful experience as our Year 6 students sang a Chinese song called 'Beijing welcomes you' and the Year 7 girls danced the Chinese umbrella dance dressed in traditional Chinese costume. The Year 11 students' trip to a local Chinese restaurant was also a great experience which helped students to gain a perspective on various styles of Chinese food as well as affording an opportunity to learn appropriate Chinese table manners. We look forward to an even better academic year ahead in our Mandarin Chinese class!

今年的中文课上，我们一起度过了一个充满乐趣和挑战的一年。在课堂上，学生们努力学习，成绩有了稳步的提高。课外，学生们还参与了丰富多彩的文化活动。在庆祝春节活动期间，学生们学习了春节传统习俗，一起做春卷、装饰、团扇彩绘等，大家一起度过了一个其乐融融的传统春节。六年级学生演唱的《北京欢迎你》和七年级女生们身着靓丽舞服表演的伞舞《烟花三月》也成为庆祝国际日活动上一道亮丽的风景。十一年的学生还去了当地的中餐馆体验了中国的传统美食和餐桌礼仪等。我们期待一个更加美好的新学年！

# Music Department

This year has been very exciting and busy for the Music Department. The highlight of the first term was the presentation of the first HeadStart musical production: 'The Sound of Christmas.' This festive performance included singing, dancing and acting by students from all key stages, as well as teachers and parents too. The amount and level of talent from our student body was truly astounding. Even the teachers surprised us! In the second term, a few promising students were invited to represent the school in the Phuket Youth Talent Competition which saw some of them receive honourable mentions. Comprising mostly new performers this year, members of our Singing Club had a wonderful time developing their skills and confidence performing in assemblies and other special school events. To close the year with a golden key, we produced a whole school musical extravaganza: 'Around the World in 120 Minutes' to mark Arts and Music Celebration Day. Not a bad year!

Khun Jit

I am grateful to you for your continued support throughout this school year in inculcating and maintaining the 'Thai identity' of

our school. I have undertaken to support our Thai students to develop and to reach their full potential as well as to gain an appreciation of Thai culture and principles and integrate these with the demands of modern society.

I look forward to continuing to work in partnership with you all throughout the forthcoming academic year.

Khun Nee

I am proud to say that the Thai department has achieved its scholastic goals this academic year. Some of our students won awards in several categories at the Phuket Annual Academic Competition. We have made great progress this year with regard to the achievement of our students and their participation in the

Thai activities that take place throughout the year. We have also been successful in our recent inspection to become accredited by the Office for National Education Standards and Quality Assessment (ONESQA). I strongly believe that next year will prove to be just as eventful and successful as this. I would like to take this opportunity to wish all our Year 11 students success in their IGCSE examinations as they each look forward to a bright future at university. I would also like to thank you all for your support during the year and for being an important part of the Thai family at HeadStart International School.

## What the Students say

This year the Student Council helped give suggestions about improving the school uniforms!

We helped to instigate change in some school policies and we suggested a Secondary Homework schedule!

We suggested new school jacket designs!

Students needed a way to print out Homework. Now we have a printer in the school library that we can access to do just that! No more late Homework!

We got what we asked for but not every time!

I feel good when I'm on the School Council!

Mr Edouard, the school director, gave the Student Council an interesting presentation about the new HeadStart that will open in 2015! It was so cool!

# French

Stephan Schmid

I love learning things in French! I like it when we do fun things like the time we played bingo with food! I have also enjoyed learning about time.

Ms Francoise is very friendly and teaches us to communicate in French. French is very useful because I go to France often. The thing I love the most about French class is that on special occasions, we make crêpes. I love French class!

Reece Edouard

I have had a lot of fun in French class, but I have also learned lots of information. Sometimes, we have writing lessons. We also have fun activities in French like making and eating crêpes.

On aime la classe de français parce qu'on étudie avec le CNED et c'est amusant. On adore aussi travailler sur l'ordinateur et chanter.

*Duke of Edinburgh Bronze Award*

This academic year saw our first group of Year 10 students participate in the Bronze Duke of Edinburgh International Award for Young People. With assistance from adult Leaders, participants select and set objectives in each of the following areas: Physical Recreation, Skills, Community Service and Adventurous Journey.

To begin the award, participants were required to each select an activity that they would commit to doing for either three or six months. Participants, who were encouraged to choose activities in which they have an interest, chose a variety of Physical Recreation activities including, wake boarding, football, swimming and running. For the Skills section they engaged in activities such as, French and German language, baking and computer programming. For the Community Service objective, students chose to volunteer at the SOS Village, PAWS and at the Aquarium.

The Adventurous Journey, which consisted of a two day kayaking and camping expedition, was completed over three weekends. It began with a training trip in December 2013 and was followed by a practice trip in February 2014. The final journey was undertaken in March 2014. The Duke of Edinburgh Bronze Award is designed to significantly challenge participants and it definitely lived up to expectations! Taking many of the participants out of their comfort zones, the expedition tested the students and made them more aware of their strengths and how to overcome their weaknesses.

Bringing the participating Year 10 students closer together, the Duke of Edinburgh Award scheme has been both challenging and rewarding. Through their participation, they have begun to understand the importance of effective communication and working cooperatively. Above all, they have learned that determination and perseverance are key factors to success.
