Yearbook Production Team

MESSAGE FROM THE HEADMASTER

When I wrote my entry for the yearbook last year, we were still in a sub-district lockdown, uncertainty was rife and the future looked very bleak indeed. Despite this our community remained strong, stuck together and when we finally were able to reopen in July, it was wonderful to see the happy smiling faces of our children return. A school without children is a very sad place indeed, but when they and their families return, it is transformed into something magical. What a transformation it was, and what a wonderful time we were able to experience between August and April.

Highlights of the year, which I know will be reflected as your read through this book, included a dazzling performance by our CAPA academy of 'Welcome to the Moulin Rouge', a return to sporting fixtures for our academies and athletes, a wonderful Christmas Fair, regular Friday markets to support our community, the continued expansion of our BTEC programme and let us not forget simply outstanding academic results by our IGCSE and A Level cohorts with students achieving over 50% A*-A grades in both qualifications.

Within our staff, parents and students there is a synergy which is more important than just the headlines and big events I mention above. It is about the little successes that each student experiences on a daily basis, the challenges they overcome and the small steps they take as they progress toward big goals. HeadStart would not be the school it is today without the mutual support you as parents offer to us, and our students only succeed as well as they do because we work together to make the sum of our combined efforts greater than the individual components. As we move through the next challenging phase, I hope we can continue this and join together to overcome the latest challenges.

As I write this and close my message, we have just entered another period of online learning and restrictions on the island. Whilst we had hoped to get through the whole year with our students in school every day, this has sadly been taken from us. But let us not be sad or regret what could have been, let us rejoice that despite the challenges thrown at students, parents and the school, we have made it through before and we will again. As I walk once again through the empty corridors of the school, I know we will once again soon, see the magic restored, students playing and rejoicing with their friends and achieving everything they can.

"Sometimes our light goes out, but is blown again into instant flame by an encounter with another human being" (Albert Schweitzer). I look forward to seeing you all again soon and as always, I thank you for being such a wonderful support and for making our community what it is today. Thank you!

Mr Adam Drew, Headmaster

HEAD BOY & HEAD GIRL

BEING A STUDENT LEADER IS ONE OF THE MOST PRESTIGIOUS ROLES IN THE SCHOOL

This year, I can proudly say that we, the student leaders, have contributed to the development of the school significantly compared to previous years. We have been an incredibly driven, dynamic and motivated group and I am sure student leadership will continue to be a large division of the HeadStart community.
Evan Lee, Head Boy

This year has been very rewarding because we have achieved a huge amount as student leaders. We launched 'Lunch Bunch' as well as Service, Eco, Student Welfare and House committees. This has given us a bigger role to play in the development of the school culture and community. Despite the limitations placed on school due to COVID 19, we have been able to implement new initiatives and have a positive impact on the HeadStart community, going beyond our initial goals. I have loved being Head Girl and working with an amazing team of student leaders as well as connecting with younger students in the school.
Lucy Mester, Head Girl

Upon receiving the role as Deputy Head Boy, I quickly came to realise how challenging it would be to take on these many more responsibilities. This year has been like a test and trial period, I've made mistakes, but learned alot from working with Evan and Lucy to understand the role better and improve my performance in time for next year. The current Head Boy and Girl are leaving some pretty big shoes to fill--luckily I'm a size 48. ***Calvin Van Der Laan, Deputy Head Boy***

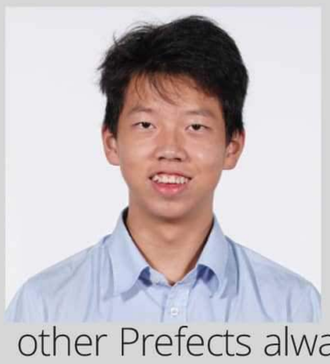

Interesting, passionate, and resilient; the words I would use to describe the guidance they had given me. Teaching me with uttermost zeal, working harmoniously to prepare me for my role as the next Head Girl. Upon the first day; the Head Boy can only be described as a diligent worker. As for the Head Girl, although stern but genuine, her solid skills and active mind always seem to surprise me. As the year comes to a close, I am filled with excitement to step up to the role, although nervous from expectations set by our former leaders. I wish them all the best for their future, as it would be fortunate for anyone to get these people to work for you. ***Nutcha Phaisamran, Deputy Head Girl***

HEAD BOY EVAN LEE
HEAD GIRL LUCY MESTER
DEPUTY HEAD BOY CALVIN VAN DER LAAN
DEPUTY HEAD GIRL NUTCHA PHAISAMRAN

STUDENT LEADERSHIP

This "small group" expanded to a rather large group this year and I have been blown away by the commitment, enthusiasm and creativity the student leaders have shown. They inducted me into their staples: Halloween Disco, Christmas Candy Canes, Valentines Roses, Prefects, Head Boy & Girl, Deputy Head Boy & Girl, Student Council Representatives and all the meetings for each of these groups. From the outset, I was impressed with the amount they were doing. Then, they surprised me with their desire and energy to do even more! So they rolled out Lunch Bunch and showed how they wanted to support and care for younger members of the school by running lunchtime clubs to connect with them. They created Student Prefect Committees for Service, House Activities & Student Welfare and organised multiple events to raise funds for local charities, raise awareness of social issues, run community events for the school. There is agency here at HeadStart and there is energy to contribute to the further development of the school. I could not be more proud of what I consider to be the most dynamic student leadership I have ever known. It has been a real joy to work with the Heads and Deputies, thank you for keeping me on my toes and showing me what good student leadership looks like. ***Ms Indu Bedi, Head of Sixth-Form***
PS: They have even more exciting ideas for next year, so watch this space!

Kairui Zhang, Year 11 Senior Prefect

It's been such a fantastic experience for me to be a Prefect this year. I have enjoyed helping others and contributing to different events, from Halloween disco, second-hand shop to plastic recycling. Being a Prefect helped me get to know the importance of responsibility and teamwork. Personally, as I have learned English as a second language, I don't always feel confident, but other Prefects always encouraged and helped me when I needed it, I am very grateful for that. Thanks to HeadStart for giving me such an amazing opportunity to be in this big family!

Supicha Songpetchmongkol, Year 11 Senior Prefect

Being a Senior Prefect at HeadStart has been such a privilege. Being a Prefect this year was such an honour and a memorable experience. I thoroughly enjoyed creating the decorations for the Halloween disco. Even the smaller events like the Lunch Bunches, selling roses and candy canes were also really fun. I have always loved organizing and planning events so this was the perfect role for me to take part in. I am so grateful for having this opportunity and I have learned so much from this experience. I would definitely encourage everyone to apply to be a part of the Prefect community.

Anna Belova, Y12 Senior Prefect

My duty as a Prefect this year has been an enjoyable and rewarding experience. As part of the ecological and sustainable group, we have worked with the school to introduce many new activities, for example, the introduction of the Recycling and Gardening Club allowed the younger students to participate with the Prefects and simultaneously benefit the environment. I would strongly encourage other students to take up this role because the skills gained such as decision making and leadership will benefit you for the rest of your life.

PREFECTS 2020 – 2021 • ALICIA MARTIN • SUPICHA SONGPETCHMONGKOL • VITALINA OSHCHEPKOVA • KEIRA BRAIN • KAIRUI ZHANG • LUNA DUCASSE • JESSICA JUNGJAI • ANEETA METTAPANYALERT • SOPHIE CALLENS • ANASTASIA BUNEEVA • SARA BOKOBZA DE LA ROSA • KALYAKORN LIMCHAROEN • ANNA BELOVA • ESTHER HERBOLD • GEMMA BRAIN • PICHAMON BALTES • REECE EDOUARD • NATDHAWAT PANKUDRUA • YOONKYUNG LEE • MINSEO KIM • KAVIN DOOWA • JAKE ANTOGNOLI • JEREMIE PERTHUIS • ALEKSANDRA GORDZIEVSKAIA • BEN CASPI • BRENDON BOYLE • SAKAI SURIYO • CLARA LOVOTTI • SANDI DAVIES • EUNGYEOL KANG

SECONDARY STUDENT COUNCIL

HOW WE MADE A DIFFERENCE

Charles Callens, Year 10 Student Council Representative

Being a Student Council representative was full of surprises this year. I've gained a wealth of new experience and memories. Throughout this school year, I have been able to participate in the organisation of so many events like choosing new menu items in the Cafe and the talent show for everyone to participate in. If anyone is on the fence about joining the Student Council, join! You won't regret it.

Linnea Lembring, Year 11 Student Council Representative

In all honesty, when I took the role of 'class representative' in the Student Council, I did it for free credit and to look a bit better on paper. But since making that impulsive decision, I have been constantly surrounded with lovely people who always take other people's thoughts and ideas into consideration and it has been inspiring to see this from my lower and upper schoolmates. They showed me how the skill of listening to people around you and being patient with them matters a lot. So, Hopefully in the near future I will be able to involve myself into more leadership roles, whether it's school or in the real world.

Jomkwan Vettayawaikoon, Year 11 Student Council Representative

Being a student representative for the Student Council has taught me many valuable skills that are essential for my personal growth. Through the several meetings that we had, I've learned the importance of listening to others opinions and teamwork. I'm very grateful to have been part of something that could help change the experience of being a HeadStart student.

Samantha Manton, Year 13 Student Council Representative

Being on the Student Council truly gives you the opportunity, not only to foster skills such as communication, teamwork and leadership but also represents the student body and helps to share opinions on different topics, thereby continuously creating and developing an outstanding educational environment and experience.

Anoushka Bedi-Lukats, Year 8 Student Council Representative

I have enjoyed being on Student Council because I got to learn about my peers' opinions and ideas as well as being able to make suggestions for the greater good of the school.

WHAT HAS THE STUDENT COUNCIL DONE FOR US?

It has been great to see so many children getting involved and taking on responsibility and leadership roles this year in Primary. It is so important that the children are given the opportunity to develop these skills and characteristics.
Our wonderful Head Girl and Boy have set a great example delivering speeches at the Wai Kru assembly and leading the Primary Student Council along with Mr Clarke and Ms Spencer. This year they have completed successful projects such as the 'Buddy Bench' and introduced play equipment to the Astro Pitch at break times. Our Year 6 children have also been contributing a great deal to the school, running Lunch Clubs and leading play and reading sessions with the younger pupils.
Mr James Hornby, Head of Pastoral Care in Primary

I have really enjoyed being Head Boy this year. Thank you for giving me the chance to do this job. I have had a great time leading the Student Council and it was an honour to deliver the Wai Kru speech.
Mason Holmes, Primary Head Boy

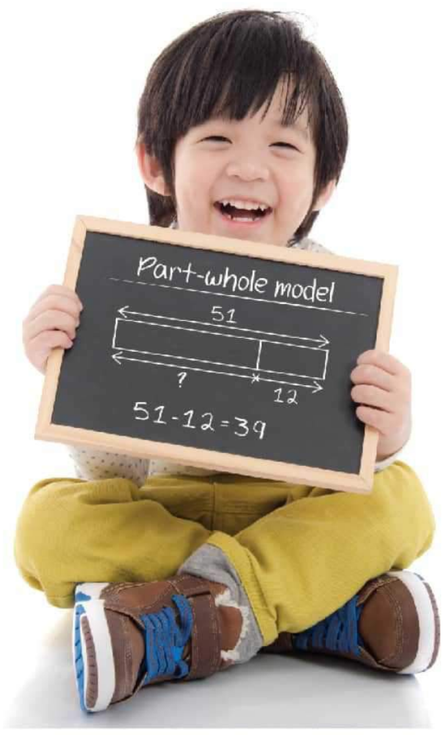

I am very grateful for being given the opportunity to be Head Girl this year. I have really enjoyed the role. It has given me the opportunity to work with a team, show my responsibility and has brought me so many good memories.
Abigail Sinclair, Primary Head Girl

Preschool

Ms Charlotte Myers

What a remarkable year it has been. Not a day has passed where I haven't been astounded by the incredible things that Preschool are capable of. Bonds have formed, memories were made and every day has been a beautiful and meaningful experience for all. Fantastic play-based learning has ensured that all children have made progress and developed a love of learning. The constant smiling faces, happy laughs and excitable attitudes prove that Preschool has been a success. Children rose to the challenge of online learning with their usual positive and resilient spirit; I expected no less from this wonderful group of delightful children. I wil I miss them all greatly next year but know they will continue to shine like superstars as they move on to dazzle and impress in Early Years! ***Ms Charlotte Myers, Deputy Teachers & Nannies***

We are super happy we had such a wonderful class this year. You made us smile, laugh and happy every day! What a fantastic year it has been, playing together, learning new things and having lots of fun! We have watched you grow over the year and we are super proud of your development! We will really miss getting messy, learning new songs, making jokes and playing games. Thank you for being such a fabulous bunch of positive, funny and resilient children. We wish you all the luck in your adventure to Reception. We will miss you greatly. Remember to have fun, smile and always be kind to yourself and others! ***Ms Keeley Ruddock, Ms Marilou & Nanny Fon***

Early Years Yellow

Ms Suzie Chaemchaeng

We have all really enjoyed teaching and being a part of Early Years Yellow this year. They have been such an incredible bunch of outgoing, positive, and energetic children. We have loved playing together and our many attempts at covering the classroom in slime! The classroom trip to Aquaria was fantastic and the Christmas 'Stay and Play', when we dropped polystyrene balls everywhere was so much fun (for weeks!). We have done lots of singing, read books together and danced, especially to the 'Freeze' song. Even with online learning, all the children stayed upbeat and positive and make us all laugh daily! ***Ms Suzie Chaemchaeng, Ms Angela & Nanny Orn***

What a great year it has been in Reception Blue. We are so happy that we got to teach you all this year and it has been wonderful to watch you all grow and learn. The children have a great attitude to learning and are so inquisitive and motivated about their learning. We have had lots of adventure throughout the year including visiting Aquaria and making our one dinosaur museum in our classroom. As a teaching team, we feel privileged to have had the opportunity to teach Reception Blue this year and will miss you all. Good luck in Year 1. ***Ms Hayley Fry, Ms Rebecca & Nanny Nok***

FUN IN FOUNDATION

Dearest Foundation Children, It has been a wonderful year in Foundation full of play, happiness, laughter and excitement! We have had many opportunities to invite your parents into school for Stay and Play sessions and I can confidently say that the relationships we have all made together are excellent. The highlight for me has been watching you all grow and develop into confident, independent and compassionate young people who continue to learn both personally and academically every day. As we continue our journey together at HeadStart I wish you all the very best in the next stage of your education and I look forward to seeing you all next year. Many of you will be in Year 1, which is a big step, myself and your teachers will keep a special eye out for you to make sure you are all settling into your new classes. Remember, always be kind, be brave and most importantly have fun!

Ms Hannah Brown, Deputy Head of Foundation

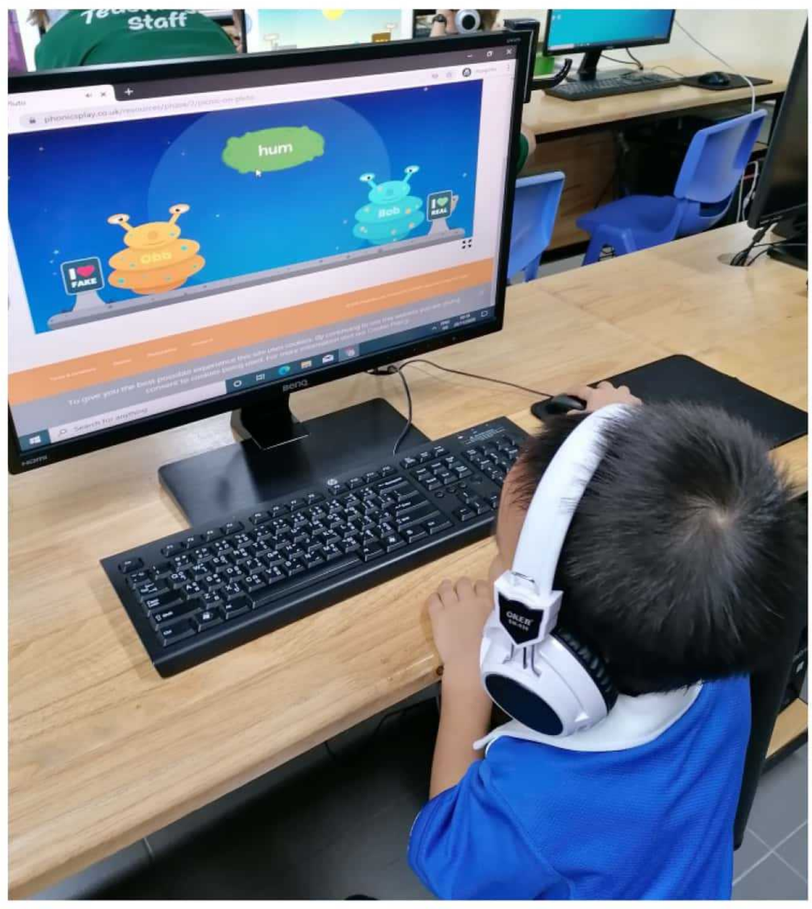

SCHOOL EVENTS

IN THE COMMUNITY

12 HOUR RELAY

SUPER MUMS VS SUPER STAFF

WELCOME TO THE MOULIN ROUGE

'Welcome to the Moulin Rouge' was yet another brilliant CAPA production. The show included 66 students from Year 5 to Year 13 who entertained their audience with magnificent songs, dances and acting skills. The show was set in the early 1900s in Paris' iconic building, The Moulin Rouge, where many an artist, performer and writer congregated. We followed the love stories of three couples as they navigated through the conflicts and turmoils the infamous theatre had to offer. A showstopping Can-Can from the full cast in brightly coloured costume, accompanied by a live band, concluded the production, leaving the audience wanting for more. Congratulations to all our fantastic students involved in the production.

Ms Erika Cramp, Director of Creative & Performing Arts

HEADSTART DANCE ACADEMY

What a year it has been for the Dance Academy! Despite Covid we managed to keep an impressive 220 students registered in the academy for the 2020-2021 season! Not only that but we had a very successful year with the production of 'Welcome to the Moulin Rouge', the ATOD international dance competition in March (with fantastic results from the Black Ballet and Contemporary numbers!) to organising the first Phuket Dance Schools Showcase and workshop in April. There is no better reward and happiness for me to see our students growing and achieving their goals through dance! I am sad to be leaving the students and the amazing Dance Academy teachers, HeadStart management and the CAPA team but I am so proud and still amazed at how far we have come! It's time to bow out with pride and happiness wishing you all a personal fulfilled life journey. Lots of Love, ***Ms Fabienne Mester***

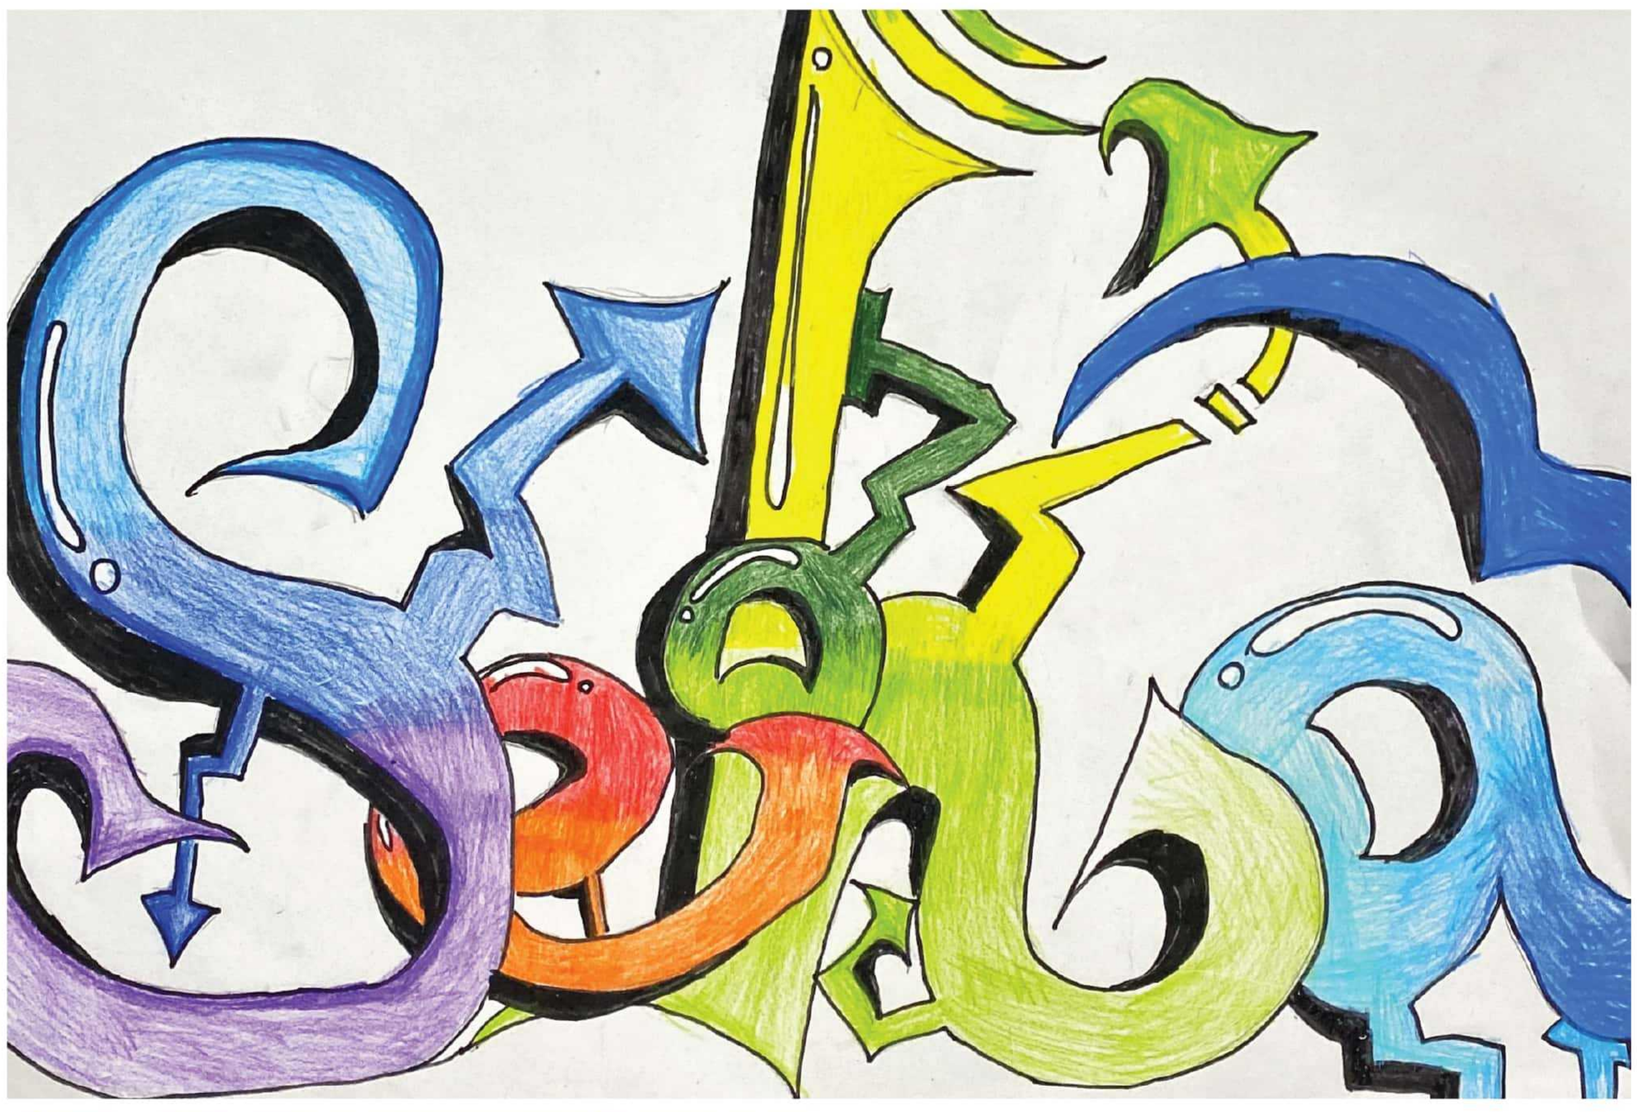

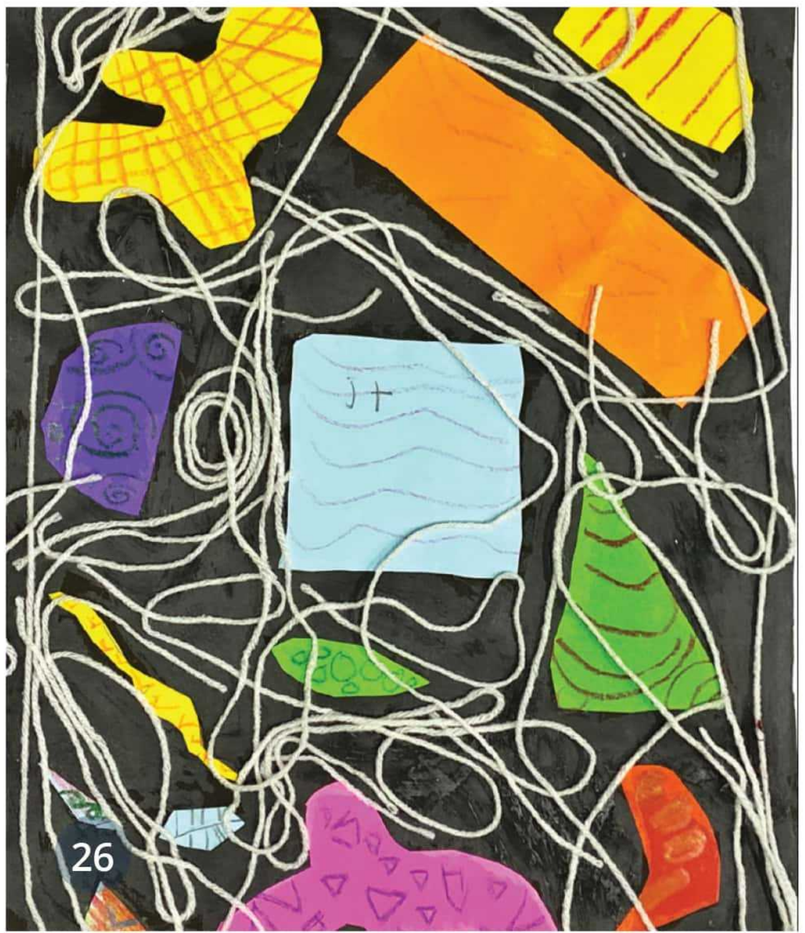

PRIMARY ART GALLERY

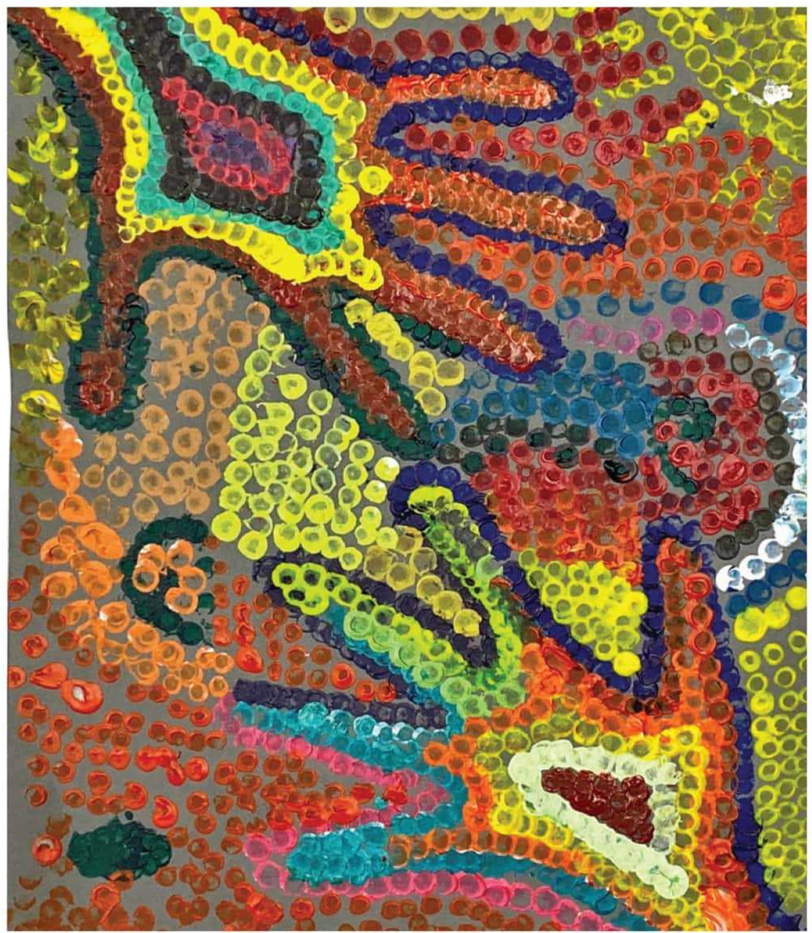

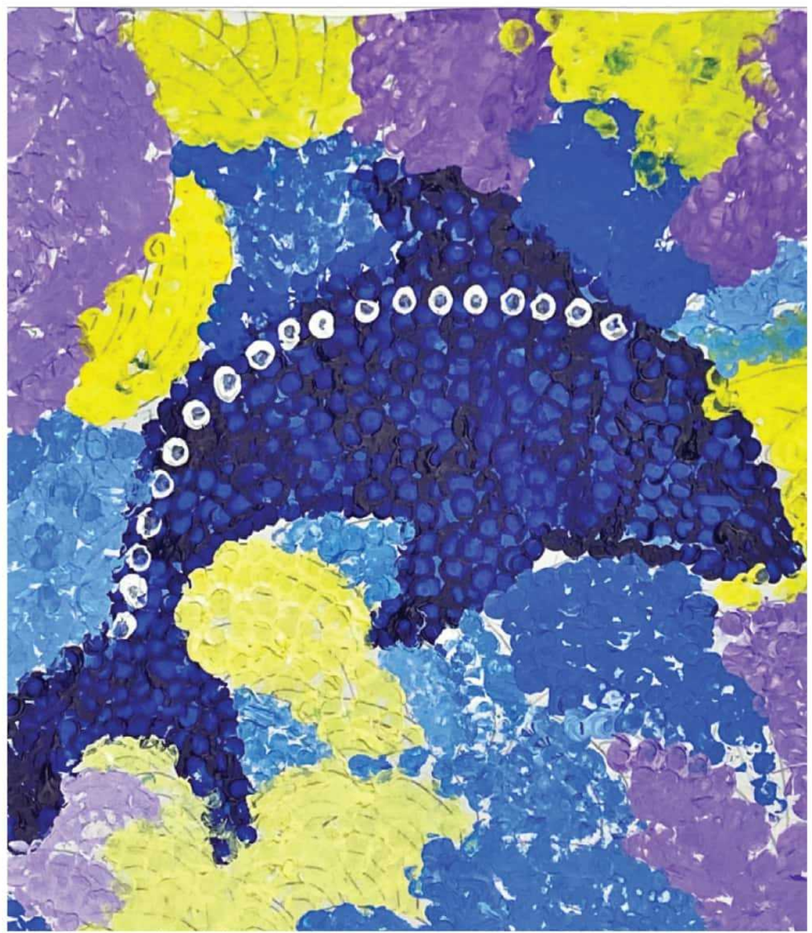

Fun and engaging art activities enable students to develop and explore their ideas and creativity, allowing them to express what they see, think and feel through drawing, painting, collage, clay and printmaking. Creative and stimulating art projects encourage students to realise their own abilities and to grow in confidence in applying those abilities in every subject. ***Ms Airl Mindaro***

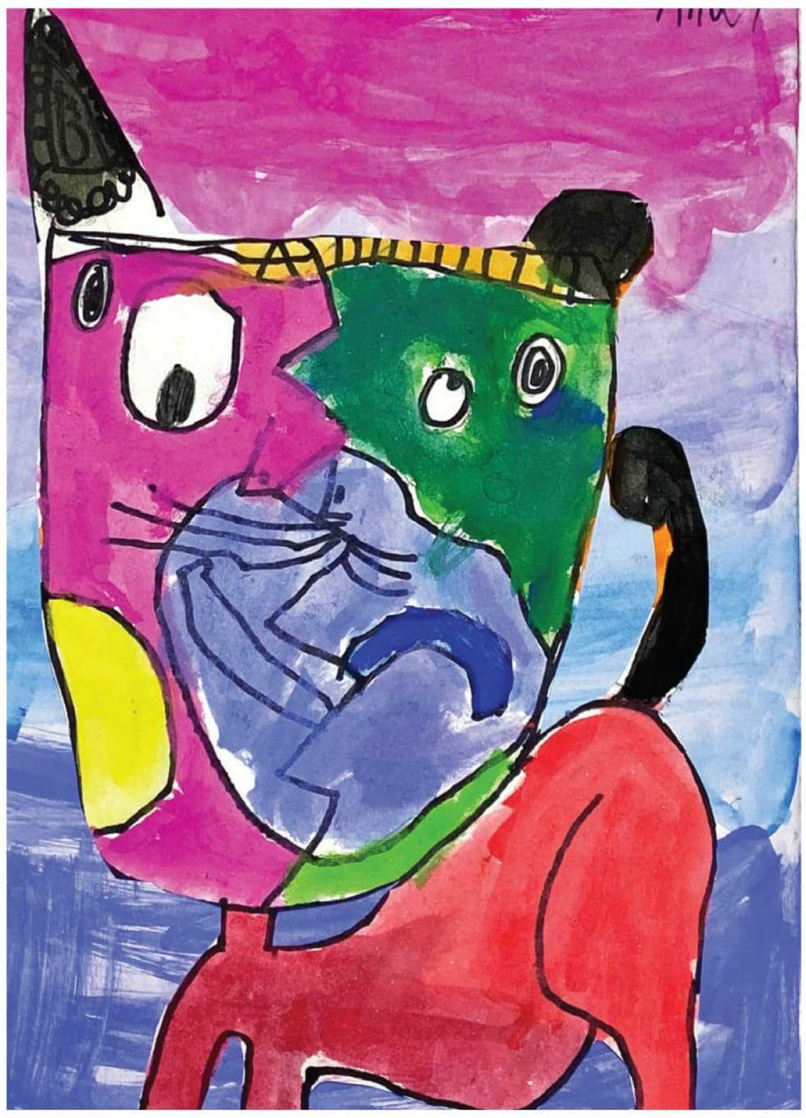

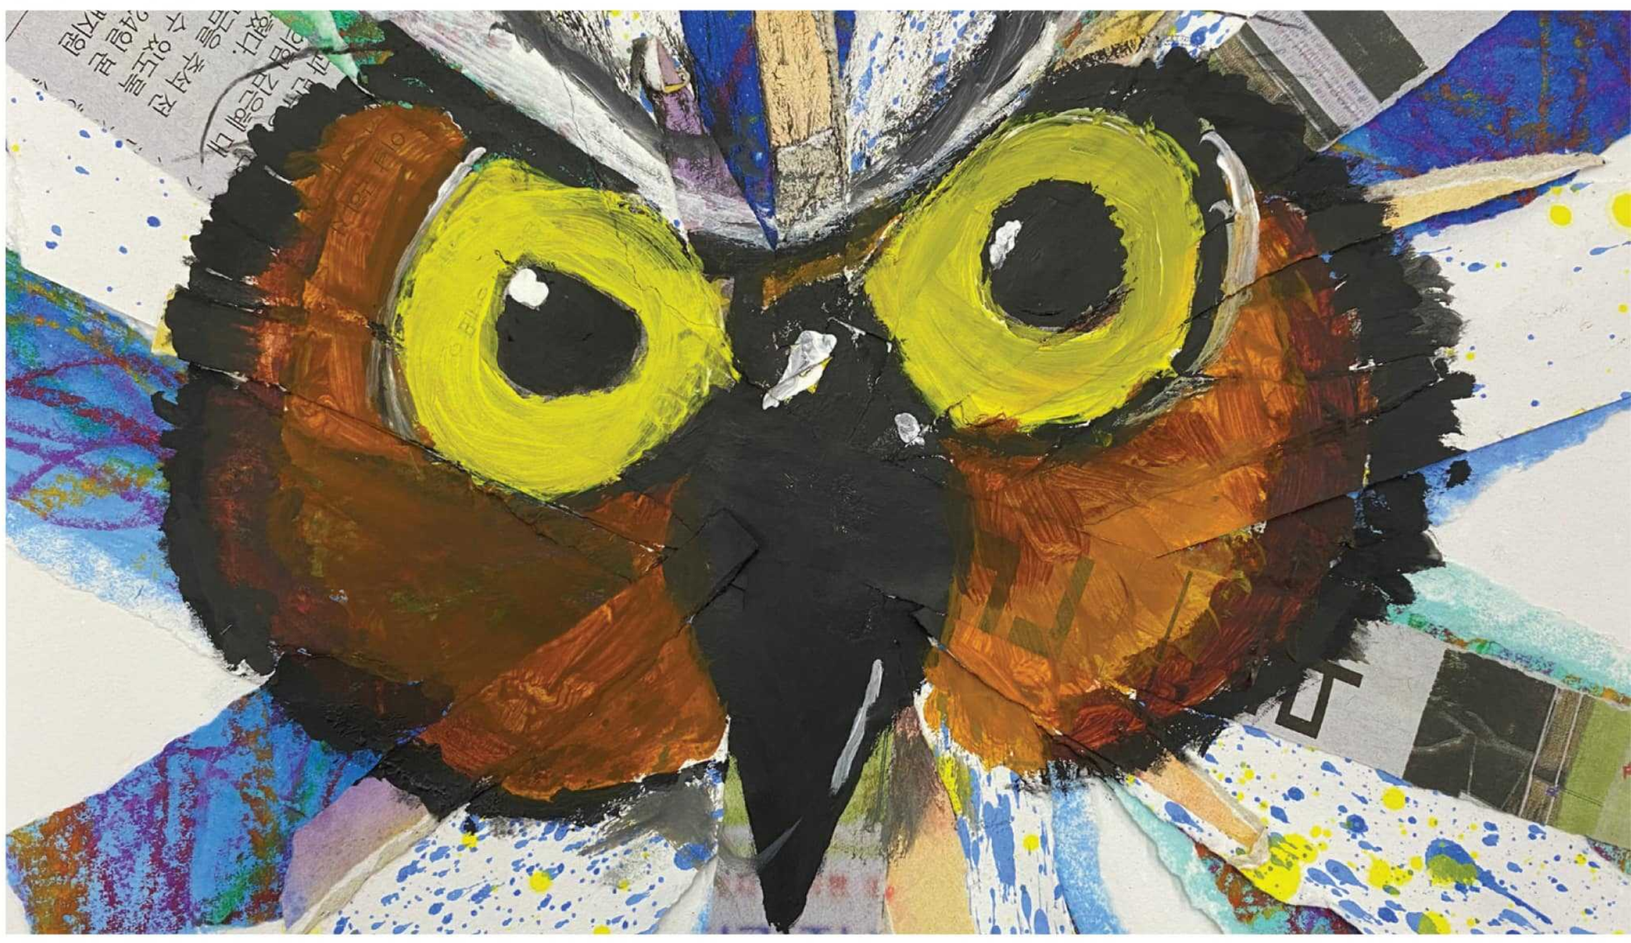

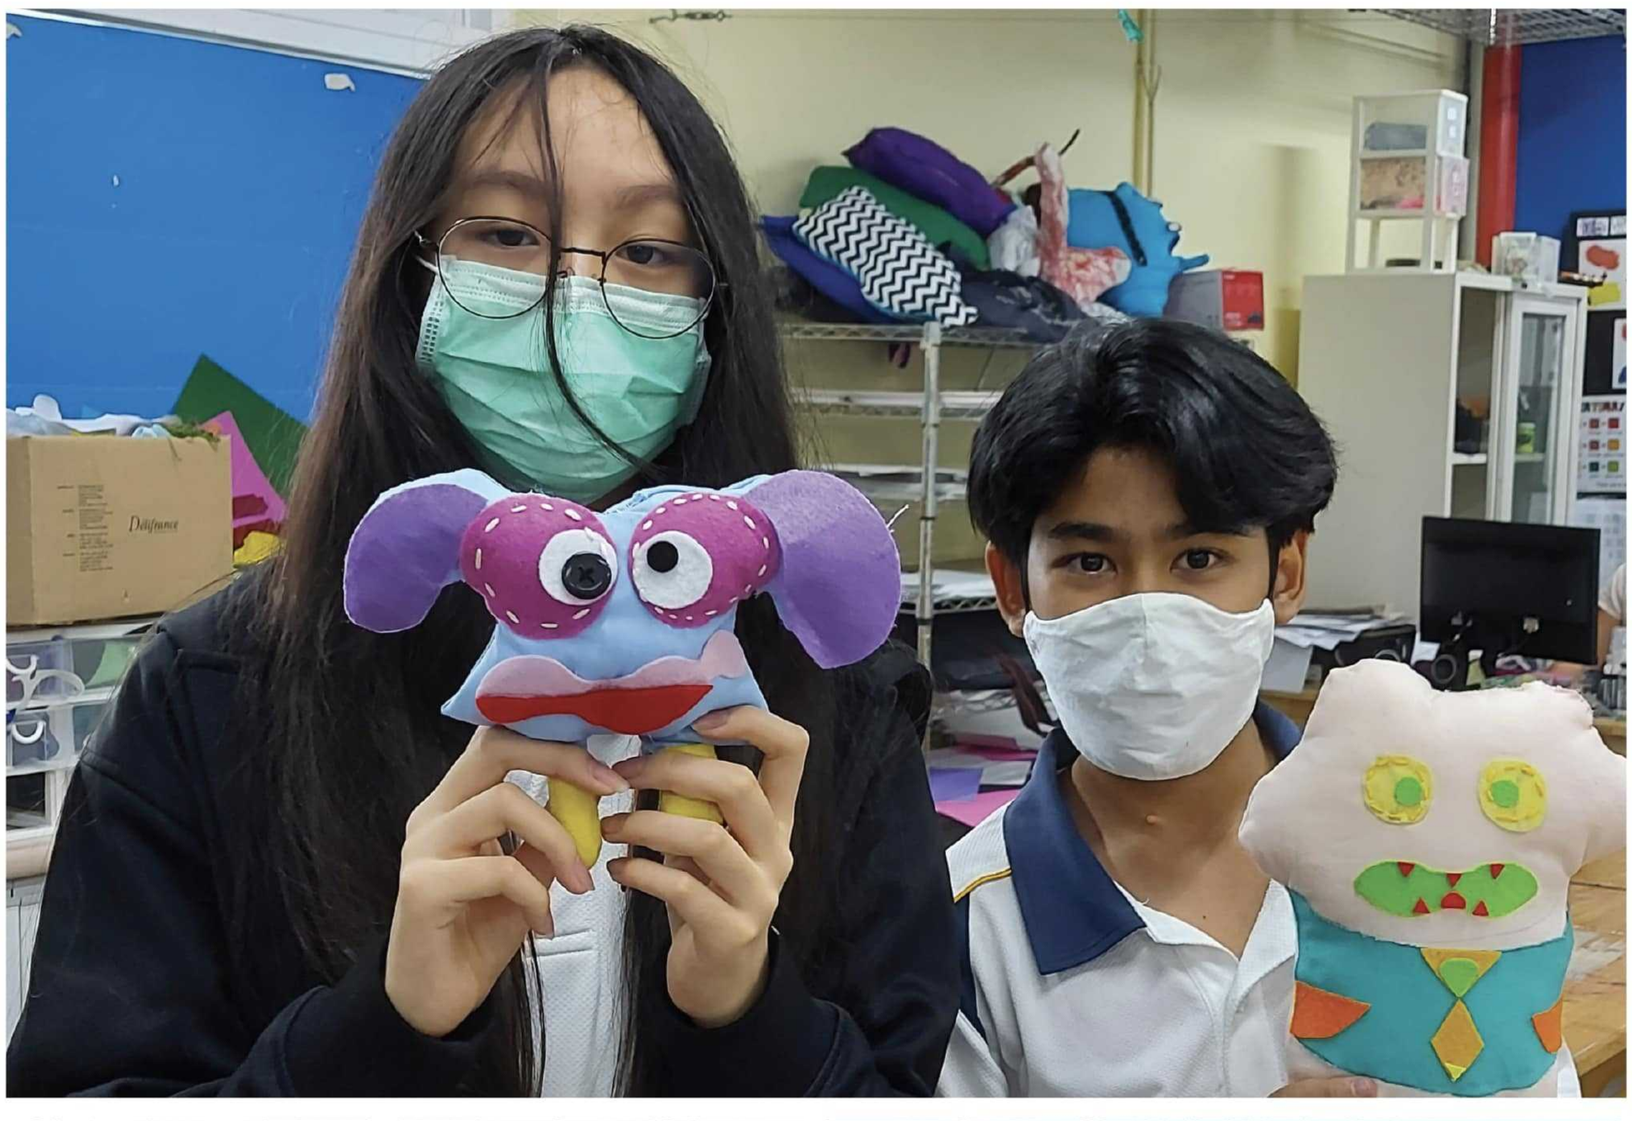

SECONDARY ART GALLERY

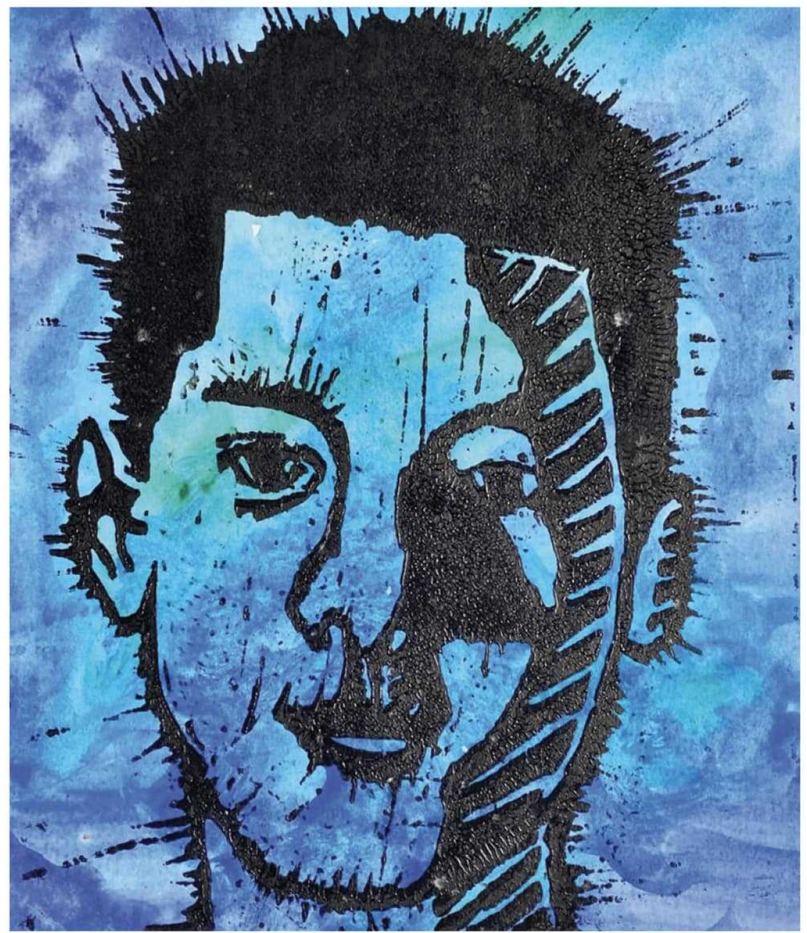

We encourage students to express themselves, their opinions and their ideas through engaging and stimulating art projects. We aim to nurture a love of creativity and innovation, encouraging students to realise their own creative abilities and to grow confident in applying those abilities in whatever subject, whatever the challenge. Students work with and explore different media including drawing, painting, collage, clay, printmaking and digital media. Thank you to all the talented and creative students who participated with enthusiasm throughout the year. ***Ms Jody Leow***

Ms Emma Spencer

We have had such a brilliant year together! You have grown so much and you have learnt so much. You've made us very proud of you. You've learnt to be kind, giving and considerate people. Do you remember when we went to visit the elephant sanctuary? Wasn't it a brilliant day? We fed the elephants and we saw how they liked to live in the wild. Our trip to Ao Yon Beach was beautiful. We paddled in the sea and played in the sand. What a perfect morning! We wish you all of the best for your move into Year 2.

Year 2 Blue

Mr Michael Marx

Dear Year 2 Blue,

Words can not express how wonderful and brilliant you all are. Together with your energetic and fun personalities, Ms Cora and I have had an absolute blast. Throughout the year we had so many adventures and challenges and with every one of those, we became stronger as a team regardless of old or new students. We were all working together. One of my favourite memories was playing splat in the classroom and how competitive but humble you all were with each other. As you move forward in your learning journey, remember all the good times we had and smash through any new challenges that get your way. You were all truly fantastic little bananas. Year 2 White

Ms Amy Drew

We have had a lot of great memories this year in Year 2 White. It has been a pleasure to see your smiley faces every day at school and online. Some of my favourite memories yummily involved food: making smoothies for the Orangutans in project week; cooking scrumptious Bua Loy with our helpful Mummies & Daddies and making warm, creamy corn milk on our trip to Vanich Farm. Every one of you made me so proud when you spectacularly performed our assembly to your delighted parents and enthusiastic friends in the rest of Year 2. Let's all be healthy - clap, clap! I'm privileged to have been part of your lives and see you grow and develop in personality and confidence throughout the year. Your new Year 3 teachers will be so happy to have such an amazing class.

Year 2 Yellow

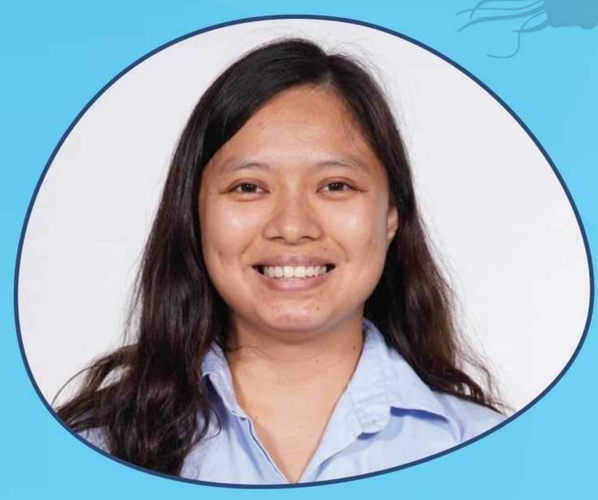

Ms Donna Wintersgill

To our lovely Year 2 Yellow class, thank you for all the smiles, laughter, positivity and hard work you have given us this year. We really feel so lucky to have been your teachers and watch you grow and develop. You are all such special children and will forever hold a special place in our hearts. You have shown so much kindness, patience and love this year and it has been so wonderful to see how you have supported and looked after each other. We shall miss you lots next year so make sure you pop in and see us! We might even be able to have a sing-a-long to 'The Continents Song' hehe! Keep smiling and we look forward to seeing you next year and hearing about all your new adventures. Lots of love,

PRIMARY AWARDS 2020 - 2021

Sam Khan
Head of Primary

A warm welcome to the Foundation and Primary section of our HeadStart Yearbook 2020-2021.

It is always a proud moment for me when I sit down and start to write a few words to describe the past year at our wonderful school. This year our Foundation and Primary teams have continued to build on the excellent work of past years. We have continued to dedicate ourselves to delivering exciting, challenging and fun lessons for all our pupils; in our classrooms and beyond. Our children continue to make excellent academic progress, while at the same time grow and develop as individuals. Our After School Programs, CAPA and PE Faculties continue to provide our pupils with new and exciting opportunities for them to refine their skills, and show off their talents.

James Hornby
Deputy Head of Primary

As I write today, the school is once again teaching online, and like last year HeadStart teachers are working tirelessly to ensure that our pupils keep learning, and keep seizing every opportunity to acquire new skills and knowledge. Once again the community has come together to support our children; our future.

Whilst the current circumstances once again present challenges for the whole community, we shouldn't forget that where there are challenges there are also learning opportunities. Over the last year our pupils and indeed the whole HeadStart community has continued to learn and grow. Aside from the obvious excellent academic progress our pupils have continued to make, the backcloth of COVID-19 has also provided our children with an opportunity to learn and develop in other areas. Our pupils have developed greater flexibility and adaptability. They have learned to become even more independent, responsible and resilient. They have learned to become resourceful and when required; be patient and think of others. This learning, which cannot necessarily be tested in an exam, would seem more important today than ever.

I hope you will all join me in celebrating the achievements, and successes, of our Foundation and Primary pupils. Once again there is so much to be proud of, and to look forward to next year! ***Mr Sam Khan, Head of Foundation and Primary***

Year 3 Blue

Mr Mark Blacklee

Year 3 Blue has had an incredible journey this year. Both Miss Johanna and I cannot believe how much you have all matured, also grown academically. On another level you are all so different to when we first met, with your amazing personalities now really shining so brightly! It has been a brilliant year and we will both be sad to see you rightly progress on to Year 4, and will genuinely miss you all. Please remember our door is always open and we will always be here to support you for the future. Infact, we would be very sad if we did not see your smiling faces regularly! Good luck superstar Year 3 Blue team. We will miss you!

Ms Zoe Harvey-Graham

We have had an amazing time in Year 3 white this year. Each and every one of you has worked extremely hard and produced some incredible work, and myself and Miss Carlos have been so impressed with you all. As a class you have shown good teamwork, friendship and cooperation, and we are really going to miss you all so much as you move on to Year 4! Have a lovely summer and don't forget you are always welcome to come and visit us next year!

What an amazing journey we have been on this academic year. You have grown so much during our time together and surprised both me and Miss Mency with your knowledge, your humour and your constant smiling faces. It has been a wonderful time and we will both be sad to see you leave us and move on to year 4, but remember, we are still here so don't forget us. We wish you well in the next chapter of your learning journey and look forward to hearing about all the great things you are doing next year. Ms Nicola Fallows & Ms Mency Regalado

Year 4 Blue

Ms Kirsty Hark

What a year we've had in Year 4 Blue! From eggy science experiments and avoiding monkeys at Big Buddha, to becoming eco experts during our project week and then tackling online learning, you have all made Ms JoAnn and I so proud. Thank you for your hard work, your inquisitiveness, your perseverance, and all of the laughs we have had this year. No two days have been the same and I am thrilled to have taught and helped each and every one of you. I know you will continue to make HeadStart proud and I wish you the very best of luck next year!

Year 4 White

Ms Jen Rapkins

Thank you, Year 4 White,

for a fantastic year! It has been a privilege to have taught you all and Miss Jaysel and I are so proud of you! We have enjoyed teaching such inquisitive, hardworking and helpful children and watched you all grow into more critical and creative thinkers. Every day, you have brought a smile to our faces and throughout the year, we have been impressed with your imaginations, determination, resilience and consideration towards others. We have been on journeys and adventures both in and out of the classroom...we even conquered a water-bottle stealing monkey at Big Buddha! Thank you for all of your hard work and enthusiasm, both in the classroom and while we were learning online. We look forward to seeing you all continue to shine next year and into the future! Keep up the fantastic Growth Mindset in all that you do.

Year 4 Yellow

I am so grateful to each and every member of Year 4 Yellow for making my first year teaching in Thailand so memorable and enjoyable. We have explored so many interesting topics, researched incredible places and learned so many new skills. As a class, we created some wonderful memories and shared so many stories and so much laughter. I will miss all of you as you move on to Year 5 but I know that you will continue to be the very best! Thank you all for making my first year in HeadStart so much fun and for helping me feel so welcome. Now say it with me one more time...holy moly...guacamole! Mr Ben Stephenson & Ms Joahna Bascarsa

Mr Michael Orr

What a fantastic year we have had in 5 White! Ms Hydie and I are extremely proud of all of you. We are privileged to have taught such charismatic, hard-working, motivated children. Your kind, caring, helpful approach to learning has impressed us on a daily basis. You have all shown creativity and a determination to be successful, as well as a willingness to help others when required. Every single member of the class has shown integrity, resilience and a growing maturity throughout the year. Year 5 Yellow

Mr Dan Nicholson

It's been a pleasure to teach a class with such a wonderful diversity of talents and personalities as this one. Last year was unusual, for the school community and the wider world, but the children in this class arrived back at school in August ready and willing to learn. In the ensuing months, we've been impressed by the levels of knowledge, intellectual curiosity and co-operation that have suffused class activities. We hope that the children approach Year 6 with the same energy, positivity and resilience that they've shown this year. We'll miss you!

Ms Sophie Cunningham

Thank you Year 6 Blue for a wonderful year. Our time together has been full of fun, laughter, tears on occasions, and lots of learning. Each and every one of you has exceeded our expectations for you at the beginning of the year and we could not be prouder. We shall take many special memories away from this year for example, our trip to the aquarium, no pens Wednesday and project week to name just a few. We are sad to say goodbye to you all and wish you the very best for next year. Secondary school are lucky to be welcoming such a delightful group of children. Our loss is their gain. Hopefully we will see you in August, don't forget to come for a visit.

Year 6 White

Mr Alex Bell

After the trials and tribulations of last school year with the lockdown and move to online learning, Year 6 White have made the most of their time together in the classroom this year: having fun, sharing jokes, engaging in our learning and generally enjoying the pleasure of each other's company before moving on to Year 7. With myself and a host of new students being welcomed into HeadStart for the first time, we have developed and grown as a community of learners, facing challenges and sharing new experiences in a spirit of positivity and enthusiasm!

Year 6 Yellow

Mr Sean Clarke

Year 6 Yellow, it has been a real honour and privilege being your homeroom teacher. You have all grown so much from curious, wide-eyed learners to mature, sensible young people, who are ready to take on Secondary school. Where has this year gone? You know the famous saying; 'time flies when you're having fun' perfectly describes this year. We have had a lot of fun and we have always been able to create laughter and enjoyable learning whether it's inside the classroom or online. You all have the potential and personalities to succeed in anything you chose and you're ready for your next challenge.

THE FOOTBALL ACADEMY

The 2020-2021 has no doubt been an unexpected year due to the global pandemic, however even through a difficult time, it shows how powerful football is as the Football Academy has brought happiness, fun, and motivated our players continuously. This achievement has only been possible with the fantastic support of the coaching team, the players, the parents, and certainly the school. Starting the year our aim was to unite the Football Academy and bring consistency and quality to all teams and age categories, which we are delighted to have achieved with the growing number of players wanting to join the Academy. Although tournaments have not been possible this year, all teams have played in many exciting and challenging matches against some strong Thai Academies and some International Schools in Phuket. Futsal was introduced this year with regular weekly training to challenge the players due to its high intensity and fast-paced style of play. The coaching team has many more exciting projects to launch in the future and we are looking forward to continuously providing a fun and challenging environment for our players. We are super proud of all the players so well done and remember NGU!

Stef Frost, Head Football Coach

THE SWIMMING ACADEMY

Aqua Panthers 2020-2021 season swam by so fast! Though we had only a few competitions, our swimmers pushed themselves to improve their race times and stroke techniques at every opportunity. Even though we were interrupted by current events, we expanded our horizons by hosting TWO swim meets on campus! These meets were the first in HeadStart history, and it was absolutely fantastic to see our team race against other swimmers in our own pool! Additionally, our 12-Hour Relay was a huge success, with raising over 120,000 baht for Scholars of Sustenance. I am constantly amazed by the dedication of our swimmers, both in and out of the pool. Watch out 2022, the Aqua Panthers are coming in hot!

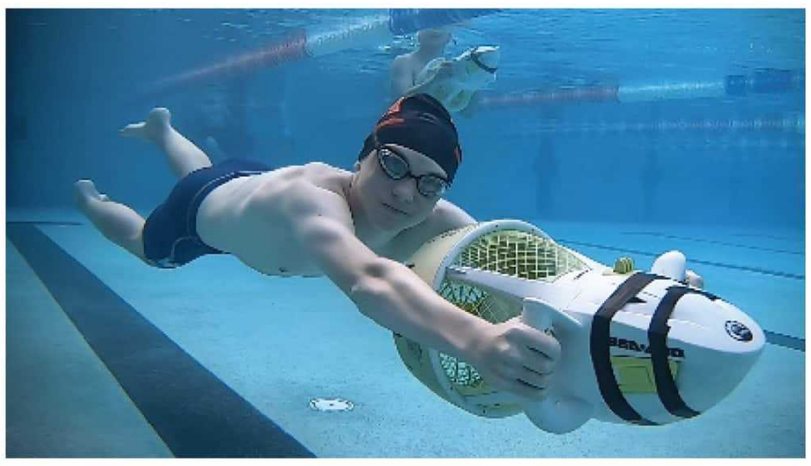

Zak Brown, Head Swim Coach

SPORTS DAYS

Sports Days are some of my favourite days of the year. It is an opportunity to see students across the whole school come together to participate in a range of activities to score points for their House. Students demonstrated some excellent running, jumping and throwing performances seeing many schools records broken, as well as taking part in a range of games and team building activities. This year the Yellow Cheetahs did their best to maintain their clean sweep from 2020 to win the House trophy for a second year in a row, but once all the points were totalled up for each of the Sports Days it was the Red Phoenixes who were the overall winners. Massive congratulations to the Red Phoenixes and well done to all the students who took part and made each day a success. ***Ms Natalie Smith, PE Coordinator***

HOUSE NEWS & COMPETITIONS

OVERALL HOUSE RESULTS 2021

Well done to all of the teachers, House Captains, and Sixth-Form students who helped run and organise all of the amazing House events this year, such as; Swim Galas, Sports Days, Funky Football, Capture the Flag, Gladiator Ball, House Quizzes, Weigh Your Waste, and House Shirt Friday. As always, the students really got involved and enjoyed the competitive nature of the House competition. Now, it's time to announce the final points and the overall winners of this year's competition
...which is the...***GREEN DRAGONS!!!***

CHEETAHS	1st Place with 50 points
DRAGONS	2nd Place with 44 points
PHOENIXES	3rd Place with 42 points
TIGERS	4th Place with 27 points

HEADSTART SPORTS

In spite of the global Covid Pandemic we still have so much to celebrate during the academic year 2020-21 from our PE programme, ASP activities, extra-curricular sports, as well as our Swimming and Football Academies and Basketball and Volleyball teams. Our wonderful PE team continued to deliver exceptional PE classes with our new schemes of work, which ensures that students are receiving consistent instruction and natural progression in their classes all the way from Preschool to Year 11 PE classes. The Football programme has a hat-trick of noteworthy points; firstly, the addition of FC and Utd categories in the boys' U11 team. Secondly, a continued growth of the girls' academy teams. Lastly, the fantastic appointments of our new Head Coach, Stef Frost and also Coach Blaine McKenna. The quality of the coaching has been truly magnificent and the amount of games the teams have played have been astounding!

The ever consistent Swimming programme also saw the appointment of a fantastic new coach, Sarah Dorman, who has been a wonderful addition to the swim team for Head Coach, Zak Brown. Once again, everything went swimmingly at the 12 hour relay event, with the swim academy swimming nearly 50 kilometres and raising well over 120,000 baht for the Scholars of Sustenance Foundation.

We were also delighted to appoint our awesome new Basketball Head Coach, Garrett Robert. Although Garrett joined us late in the academic year, he was a very welcome and refreshing change to the programme and the students have a lot of admiration and respect for him. We look forward to a continued progression of the programme in the future.

The Volleyball team continues to show their true determination and maturity. Training independently, in their own time, sometimes late into the night and at weekends! They have built and solidified a community of wonderful players who are a formidable team; they literally smashed it at the PISAC Volleyball tournaments, winning all events again. They also narrowly lost 3 games to 2 to Pluk Punya, who are one of the toughest teams in Phuket!

As ever, our wonderful team of sports coaches and PE teachers continue to keep pushing our students to excel in their sporting endeavours, all the while having lots of fun! Well done, everyone, and I wish you all to have a wonderful summer! ***Mr Nick Carter, Director of Sports***

RESIDENTIAL TRIPS

THE INTERNATIONAL AWARD

Another successful year where our Bronze and Silver Duke of Edinburgh International Award students got the opportunity to thrive outside of the classroom. To complete the International Award, students must spend time learning or improving in 4 different sections, including a Skill, Physical Recreation, Service, and the Adventurous Journey. Students have chosen a variety of different exciting and challenging activities. For the skill section students have enjoyed activities like farming, cooking and playing musical instruments. The Physical Recreation section included swimming, volleyball, athletics, muay thai and much more. Students completed their service section by helping out in the school community, beach cleans and volunteering at animal shelters. On the Adventurous Journey, students have learned to set up camp, cook and navigate on the open sea in their kayaks and sailboats, and have shared some incredible experiences in doing so. Congratulations to all the students who have successfully completed their Award this academic year. ***Ms Letitia Bekker***

Proud to deliver
THE DUKE OF EDINBURGH'S INTERNATIONAL AWARD

THE ADVENTUROUS JOURNEY

THAI LANGUAGE AND CULTURE

It has been another challenging and successful year for our Thai department. We have achieved our goal to strive for a love of learning in the Thai language and culture department despite the global pandemic. We have successfully organised various Thai cultural events such Wai Kru, Songkran, a Remembrance Ceremony for King Bhumibol Adulyadej and are very proud to report that many of our Thai students won awards in several categories at the Phuket Annual Academic Competition. We are looking forward to another successful year for HeadStart and specifically in the Thai department. ***Kru Dia, Head of Thai***

ACADEMIC RESULTS 2020

Jennifer Blackweir
Director of Academics

IGCSE This year, 99% of IGCSE grades were A*-C and 55% were A*-A. Students with 9 or more A*-As were Anastasia Buneeva, Gemma Brain, Teethabhumi Tripatarasit, Artem Kiselev, Nutcha Phaisamran, Chanattha Singsawaiphol and Nicole Teo.

A Level Our Year 13s achieved a 100% pass rate, including Ha Yeon Song, Elizaveta Zadirako, Thanaphat Frederiksen, Jinna Phaisamran and Julianna Mester who achieved A-A* grades in all subjects. Two students received Outstanding Cambridge Learner Awards: Top in Thailand for AS Music (Julianna) and AS Mathematics (Jinna).

AS Level Our Year 12s achieved a pass rate of 99%, with 41% of results at A grade. Five students achieved 4 A grades each - Suphatchaya Phewngam, Elizaveta Stashevskaia, Nam Bouchara, Valentine Guillerey and Hyunseung Lee.

BTEC Of the 12 students who completed the Level 3 Certificate in Travel & Tourism, 2 achieved Merits (Minseo Kim and Eungyeol Kang) and 2 achievedDistinctions (Sandi Davies and Samantha Manton). Four of these learners also passed a Level 3 Certificate in Sport.

GRADUATION 2020

SECONDARY AWARDS 2020 - 2021

Richard Lukats
Head of Secondary

Gemma Caines
Deputy Head of Secondary

The Secondary School has been through a tumultuous 2020/2021. We started the year with more students than ever enrolled and the news of our students' fantastic results in their IGCSEs, AS, and A Levels, resulting in some outstanding individual achievements and the best set of grades overall that the school has ever achieved. The new students who joined us have added to the energy, dynamism and achievements of the existing student population. This year has seen a real growth in the number and way students have got involved in school life, and they have developed a stronger voice and agency about matters that affect them. Students this year have shown greater leadership and management of the Student Council, House Teams, Halloween, Lunch Bunch, Eco Club and service activities than ever before. Students have been led by a driven group of student leaders managed by the Head Boy and Girl and supported by the prefects and the rest of the largest Sixth Form community we have ever had at HeadStart. It is truly inspiring to look back at the year and see how much we have accomplished as a school community, despite the backdrop of an ever-changing and uncertain world. As a school community, we celebrate the fantastic achievements of all our students; those mentioned here should feel privileged to be the representatives of all of our student's accomplishments.

Mr Richard Lukats, Head of Secondary

Student of the Year

Lucy Mester
Year 13

Awarded to the student deemed to have made the most outstanding contribution throughout the year at HeadStart.

Year 7 Blue

Ms Alexandra Holmes

It has been a pleasure to take over as homeroom teacher for 7B this year. They are a fun and lively group of young people with lots of energy. It was so nice to get the chance to go on our residential trip and great to spend time with the class outside the usual school setting. We had a fabulous time and I have some lovely memories of them bouncing down inflatable slides and zipping around the sea off Kho Phi Phi in a giant inflatable armchair. I look forward to supporting them again next year. Ms Holmes

Year 7 White

Mr David Pollicutt

In June 2020, I volunteered to be a Homeroom teacher. No other Heads of Faculty also have a Homeroom, but I missed being involved in the pastoral side of school life. At the end of 2020/21, do I regret my offer? After a year with the loveliest group, the answer is a resounding 'no'! Year 7 White is a microcosm of the school, each and every student excelling in different fields. From footballers to musicians, dancers to academics, it's fascinating to witness the development of the next generation from 'the shop floor'.Throughout the year, I have seen us grow: closer, in maturity and in our abilities. Clichs abound in Yearbooks, but for this lot, the sky truly is the limit.

Year 7 Yellow

Dear Year 7 Yellow, What a year it has been! I have truly enjoyed being your Home-room teacher this year and I want to congratulate each and every one of you on successfully completing your first year in secondary school. Transitioning from Year 6 to Year 7 is always a challenging year, but you have done exceptionally well despite all the external challenges this year has offered. I love the energy and enthusiasm you bring into my classroom every morning and I wish you all the best for the rest of your secondary school experience. Ms Bekker

Year 8 White

Mr Patrick Brown

It's been a very busy and productive year and I've been very impressed with my new year 8 homeroom in terms of attendance, work and also,the many complimentary remarks about you from other teachers. some of you were very quiet at the start of the year so it took me a while to get to know you. The best part of the year for me was going on the school trip with you all where I got to know you all a bit better and your behaviour and conduct was outstanding. I was disappointed that I didn't get to see dolphins as some of you did but that was balanced out by the diving and beating Mr Benhams team in the dragon boat race. Mr Brown

Year 8 Yellow

Ms Alicia Niemand

I consider myself very blessed to have been able to bond with such a fantastic group of people for two years. From the interesting and open discussions in PSHE, where I was able to see first-hand the mature and open-minded outlooks been developed, to the friendly laughs and jokes; it has been a year of positivity and I feel so proud. While not without challenges, this year has been useful and productive for Year 8 Yellow; these students have proven that they are able to approach obstacles with an optimistic attitude and overcome things that are in their way and I am consistently impressed by this resilience. I am very proud of how far you have all come and I am excited to watch this continue as you move through school and continue to grow. I have faith in all of you and will miss you dearly, never forget to smile and say hello! Ms Niemand

Year 9 White

Ms Kelly Tuppen

I am so happy that I got to be a Homeroom teacher this year for such an easygoing, laid-back class full of a wide variety of memorable characters. Year 9 White have shown amazing flexibility and stoicism during a year with many unexpected changes, and have always kept their sense of humour intact. This group achieved a lot together this year - even if we didn't quite manage to keep our class mascot, "Bob the Cactus", alive... Our residential trip was a highlight for me and it was a joy to see some students discover the underwater world for the first time. I wish my Year 9s the very best of luck embarking on their IGCSEs next year. Ms Tuppen

Mr Dean Wells

It's been an honour and privilege overlooking and guiding you through your Year 10 studies at Headstart. You have all been very good at supporting each other when needed and looking out for each other when required, even at times looking after me when I get so easily confused. Although it was hard work for me, I enjoyed seeing you survive on the DofE trip and I'm so glad I didn't have to leave anyone behind, (paperwork!!). I wish you all great personal and academic achievements as you move into Year 11 so that you continue to build on your character and mind giving you the tools needed to succeed in your future ventures! Please don't forget me and may be come to visit DT from time to time when you need to borrow a screwdriver etc.... Mr Wells

Year 12 Blue

Mr Ben Morris

It is a privilege and a pleasure to have been 12B's homeroom tutor, and to witness their journey to the threshold of the next chapter. Their class charter was typically quirky, and tongue in cheek, but essentially it was about being kind and supportive. This sums up the group. There have been difficult waters to navigate. Throughout lockdowns, the rigours of A Level and BTEC, uncertainties of a changing world, friendships have been strong and durable. This is important. Millions are going through similar challenges, so you are not alone. The world will open up to each of you again, with its perennial challenges and opportunities. So, hold on to your dreams, and look ahead with confidence, in yourselves and in each other. Mr Morris

Mr Benjamin Salmon

Y12 White, it has been a true pleasure having you as my homeroom this year. You all have such great personalities, and each brought a little "je ne sais quoi" to our class. What I have enjoyed the most with you this year were our animated debates during homeroom as well as our vibrant PSHE discussions. I have also appreciated your kindness and respect during our numerous circle times as well as the calm you have demonstrated during our mindfulness sessions. I wish you the best for your last year at school, but mostly I challenge you to keep that positive attitude you have displayed throughout this difficult year! See you next year. Mr Salmon

Mr Steven Finn

Dear Year 12 Yellow Homeroom,
We are coming to the end of a very challenging academic year. The Transition from year 11 to year 12 is never easy so in these Covid times has made it even harder. I can congratulate you all in coping with the situation. Remember if an experience doesn't kill you it makes you even stronger. Stay safe and keep calm, I know you will do your best in the upcoming school based exams. When the going gets tough, the tough get going! All the best, Mr Finn

BEST WISHES TO OUR CLASS OF 2021

DEAR 2021 GRADUATES,

IT HAS BEEN AN HONOUR TO GET TO KNOW YOU THIS YEAR. I HAVE BEEN IN AWE OF YOUR CAPACITY TO STUDY, SUBMIT UNIVERSITY APPLICATIONS, CONTRIBUTE TO SCHOOL LIFE AND HAVE FUN ALL THE WHILE. YOU HAVE DEMONSTRATED A RESILIENCE WHICH IS BREATHTAKING: SITTING AS EXAMS WHILST STUDYING FOR A LEVELS, RUNNING SCHOOL EVENTS LIKE THE HALLOWEEN DISCO, LEADING ASSEMBLIES, LAUNCHING SERVICE INITIATIVES LIKE LUNCH BUNCH AND 'RUOK DAY'. YOU ACHIEVED INCREDIBLE AS & BTEC RESULTS AND SUBMITTED 87 UNIVERSITY APPLICATIONS. ANYONE READING THIS WILL SURELY BE INSPIRED AND IN AWE OF YOU. YOU WILL ALWAYS HAVE A SPECIAL PLACE IN MY HEART AS THE FIRST GROUP I HAVE SEEN THROUGH AS THE HEAD OF SIXTH FORM. I WANT TO THANK ALL THE STUDENTS FOR MAKING THIS A MEMORABLE YEAR, THE SUBJECT TEACHERS FOR THEIR DEDICATION, THE HOME ROOM TEACHERS FOR ALWAYS BEING THERE,

K. GEM FOR EVERYTHING UNIVERSITY RELATED AND THE STUDENT LEADERS, ESPECIALLY LUCY AND EVAN, FOR THEIR DYNAMISM AND ENERGY. THE SIXTH FORM WOULD NOT BE WHAT IT IS WITHOUT ALL OF YOU. I WISH YOU, OUR GRADUATES, THE BEST AND KNOW YOU WILL ALL MAKE YOUR MARK ON THIS WORLD. PS: I WILL MISS YOU ! MS INDU BEDI, HEAD OF SIXTH-FORM

YEAR 13 YELLOW

MR CHRISTOPHER BROWN

CONGRATULATIONS TO YEAR 13 YELLOW FOR GRADUATING FROM HEADSTART THIS YEAR. IT HAS BEEN A PLEASURE TO HELP YOU THROUGH YOUR FINAL YEAR AS HEADSTART STUDENTS AND I'LL BE SAD TO SEE YOU ALL GO, BUT EXCITED FOR YOU TOO! THE WAY YOU HAVE PERSEVERED WITH YOUR STUDIES DESPITE THE UNFORTUNATE GLOBAL SITUATION DURING BOTH OF YOUR SIXTH FORM YEARS HAS BEEN ADMIRABLE, AND I'M SURE YOU WILL BE ABLE TO DRAW ON THESE EXPERIENCES TO HANDLE EXCITING NEW CHALLENGES AS YOU GO OFF TO START THE NEXT CHAPTER OF YOUR LIVES HERE IN THAILAND OR AROUND THE WORLD. WHETHER IT'S FURTHER STUDY OR THE WORLD OF WORK, I WISH YOU THE BEST OF LUCK FOR THE FUTURE!
