## Celebrating Success

# A Year of Academic Achievement and Community Growth

As we approach the end of another remarkable academic year, it gives us great pleasure to reflect on our collective achievements and share the pride we feel in our school's progress. We, the School Board, are honored to witness the immense growth and success that HeadStart has experienced over the past year. One of our greatest sources of pride lies in the high academic achievements of our students. Through their unwavering dedication and the guidance of our talented teaching staff, our students have consistently surpassed expectations and set new benchmarks of excellence. Their accomplishments, both in the classroom and beyond, inspire us all.

We are thrilled to see our school community expand to new heights. This year, our student body has grown larger than ever before, welcoming a diverse group of learners from all walks of life. The influx of new students has enriched our school with varied perspectives and backgrounds, fostering an environment of inclusivity and cultural exchange. We firmly believe that this vibrant and diverse community of students is a testament to our commitment to providing quality education to all.

In line with our commitment to meet the ever-growing educational needs of our students, we are delighted to announce the opening of an additional campus in Cherngtalay. This expansion will allow us to accommodate more children and extend our educational services to a broader audience. We aim to make a positive impact on a larger scale, serving the island and its surrounding areas with the same dedication and commitment we have shown throughout our history. We understand the importance of adapting to the evolving needs of our students and fostering an environment that nurtures their individual strengths. Our teaching staff, the backbone of our institution, continually demonstrates their passion for education and their commitment to excellence. Their unwavering support, expertise, and tireless efforts have played a pivotal role in shaping our students' success.

As we look to the future, we remain steadfast in our commitment to our mission of serving the community and ensuring that every student receives a quality education. We are determined to provide a nurturing and inspiring environment that fosters personal growth and prepares our students for the challenges and opportunities that lie ahead.

In conclusion, we would like to extend our heartfelt gratitude to our students, parents, teaching staff, and the entire school community for their unwavering support and dedication. Together, we have created an educational institution that not only prides itself on academic excellence but also celebrates the diversity and potential of each and every learner.

— The Board of Directors

# HEADSTART EXPANSION

# A MESSAGE FROM OUR HEADMASTER

It has been an amazing year to be part of the HeadStart community, marked by the resumption of many events and activities that were put on hold during the pandemic. With a full programme resuming this year, we have seen the diverse and incredible talents of our students shine through once again against a background of significant growth and expansion.

Academically, as well as an outstanding set of results once again in our Cambridge examinations at IGCSE and A Level, 14 students achieved a total of 15 Cambridge Learner Awards, where students are recognised for achieving the highest scores in their exams in the whole of Thailand. For the first time in our history, one student achieved the highest score in the world! Our students were back in action travelling on many swimming and football trips to compete against some of the best teams in Asia, showcasing their talents and sportsmanship. Our Creative and Performing Arts (CAPA) academy once again wowed audiences with their amazing production of Chicago, and we held our first primary show in several years, which was a huge success and wonderful to see more than 200 students take part. We were also excited to launch the CAPA Expo, which showcased the talents of our students across a range of creative disciplines, including music, dance, drama, and visual arts. This event highlighted the importance of arts education in fostering creativity, collaboration, and critical thinking skills.

Just a few months ago we announced the construction of our new campus in Cherngtalay, and with it, further exciting opportunities for expansion and growth as a school. We aim to implant a shared ethos and vision across both schools allowing children to receive the same high standard of education regardless of which campus they attend.

As I reflect on this year, I am reminded of the strength and resilience of our community. I want to thank our students, parents, teachers, and staff for their continued dedication and support to ensure the best outcomes for our children, and I look forward to seeing what we can achieve in the coming years. I am immensely proud of the way we have come together as a community to support one another. I wish you all a safe and enjoyable summer break, and look forward to welcoming you back to HeadStart in August.

— Mr Adam Drew, Headmaster

# HEAD BOYS AND GIRLS

**Kairui Zhang**

This year has been one of the most challenging years as Head Boy as we had the biggest student leadership group to date. I am proud of each and every one of you for your hard work and dedication. We've done a lot of great things; we started to run our very own student leadership meetings, flag-raising, and loads of other amazing events. As Head Boy, I would like to thank HeadStart for giving me such an amazing opportunity to contribute to the school by leading our student leadership to a brighter future and I would like to personally congratulate everyone in the team on reaching this important milestone. Lastly remember to always work hard, and never stop dreaming big.

**Keira Brain**

It has been an amazing opportunity working with such an incredible and positive student leadership team, the largest leadership team to date (60+). I am immensely proud of the team's efforts this year and all we have accomplished. After the unfortunate impacts of Covid, I'm so pleased that we have been able to return to school and restart some of the community's popular events. Some of my favourite memories being Head Girl this year include hosting Monday's flag raising, organising the Halloween disco, selling Christmas candy canes and Valentine's day roses and chocolates, raising awareness for vulnerable communities and hosting the Songkran and Wai Kru ceremonies. I have every faith in Nae Nae and Charles to be inspirational leaders in the upcoming school year.

**Charles Callens**

When I signed up for the role of Deputy Head Boy, I promised one thing, that the student voice would not be belittled! After being part of the Student Council for 7 years, I can confidently say this year's Student Council and Student Leadership team were absolutely exceptional. A meeting schedule with twice as many meetings as any year before has been created and, thanks to the newly introduced Senior Councillors, stuck to! Events like the Anti-Bullying Week Fair brought the HeadStart community closer together than ever. Through student input, skorts have been made available, pads have become free, and the school menu has been thoroughly reimagined together with the Food committee to accommodate everyone in our diverse community. Having said all of this I do believe that, together with Nae Nae, I have been able to keep to the promise I made to the Selection Committee and the HeadStart Community 10 months ago. I can't wait to continue next year as Head Boy!

**Sarita Singhapan**

Working with optimistic, passionate and resilient individuals with shared goals for the betterment of the school was a meaningful experience for me. Running the meetings by giving everyone agency and ensuring the voices are heard, allowed the Student Council members to bring up specific issues within the school. We achieved several successes from the approval of the senior management team, such as making skorts available and accessible sanitary pads. Additionally, students have become more engaged in school activities through working collaboratively during the student takeover week. The combination of communication and teamwork has created an unforgettable memory in growing the school community into a uniting environment. I am confident the school will strive for better, and I look forward to seeing what the future holds.

# STUDENT LEADERSHIP PREFECTS

**Indu Bedi**

***All the world's a stage, and all men and women .... players, They have their exits and their entrances'. Shakespeare, from 'As You Like it'***

Dear Student Leaders,

Thank you for everything you have done this year for the school community. Some of you leave us this year whilst some of you will step up and take on a more senior role. Either way you have played your part beautifully and modelled what it means to be leaders working as part of a powerful team to strengthen and enrich our community. The events you have run have brought so much cheer and added colour to our school life. You have gone beyond the school gates with your work this year too, sharing funds you have raised with charities, bringing smiles to many other faces, and cleaning beaches across the island. You have acted as true community members and I am so proud of you for that. It has been a pleasure watching your industriousness and seeing you begin to blossom into changemakers. Thank you for the grace, energy

and willingness to play your part in making the school, and the little bit of the world we occupy, a better place. You all have so much to offer. I hope this sense of leadership and community follows you into the coming year whether you remain at HeadStart or go to pastures new; know that you have a role to play and agency too; "be the change you wish to see in the world" (Gandhi) and as Greta Thunberg once said "You are never too small to make a difference." Special thanks to Keira and Carry, our Head Girl and Head Boy; the Deputies, Charles and Nae Nae; The Heads of committee- Alicia & Grace, Giacomo & Fleur, Linda & Mehar, DY & Alex for driving all the action this year and leading the Prefects.

— Ms Indu Bedi, Deputy Head of Secondary (Sixth Form)

**Dongyoon Lee**

As one of the Senior Prefects I can proudly say that we have had a really productive year. We have planned and run multiple fundraising events such as Valentine Roses gram, Christmas candy grams, and a day where we asked everyone to donate second hand items to then deliver to underprivileged kids in need. As the Senior Prefect of House, I've teamed up with Mr Marx planning ideas and events for assemblies. My deputy Alex and I, have improved our public speaking by announcing the house points every week. My favourite event was Kindness Week when Giacomo (Senior Prefect of Student Well-being) and I spread kindness messages to everyone in Sixth Form by gathering anonymous compliments and giving it them in the form of a card. I am sure that Alex (the Deputy Senior Prefect of House) is ready and will do an amazing job next year.

**Yingge Liu**

Being the Head of the Eco committee this year was my most unforgettable memory. Our team worked together and led various activities, such as celebrating World Animal Day, recycling and upcycling plastic, designing paper recycling boxes, establishing the monthly beach clean-ups and building a recycled hydroponic plants shelf. We had the chance to meet people inside and outside of school, sharing the importance of sustainable development. I am excited that many students have a passion for environmental protection at a very young age. It was a busy yet exciting job and I cherish this experience very much.

# THE STUDENT COUNCIL

**Dr Mathew Sillett**

The student council is such an important part of the student voice at HeadStart. Every year they become more organised and more effective. This year is no exception; Charles and Nae Nae have been instrumental in organising and facilitating the meetings for the council. They have made significant and important changes to the running and management of the body; implementing senior counsellor roles, facilitating key stage meetings and ensuring that important changes get through to decision makers in the school. I want to thank all of the student council members for their hard work and support that they offer to the student body in their roles. This year they have facilitated important changes in the community, have run school events, and continue to raise important issues. Thank you for your commitment to the betterment of the student voice and our HeadStart community.

— Dr Mathew Sillett

**Mali Bell**

Being a part of the Student Leadership team is such an honour. Seeing peers and students across Secondary grow in confidence to be able to speak up for themselves and express their thoughts is truly motivating for the student council team. As the year comes to an end and we look back on all the changes initiated by the student voice we are inspired about things like the increase in food options, anti-bullying week activities, etc. Our voices have been heard and steps have been taken to fulfil our requests. I hope to be able to continue to contribute to the betterment of the school next academic year.

**Chutikarn Doowa**

The Student Council has flourished this year and I have to say, I believe it's because Charles and Nae Nae have pushed for involvement from every year group. Over the past months, I've seen our youngest representatives go from quietly writing down their opinions to giving other ideas constructive feedback - and that's been the most extraordinary aspect, the conversation. Our meetings have gone beyond identifying areas to develop; we're instead pushing one another to think unconventionally, to explore alternatives. I've spent many years on student council and watching the younger years learn how to articulate their thoughts made me realise that we were in the same position only a few years ago. Student council challenges you to problem solve, justify, and collaborate, which are all essential and invaluable skills.

# PASSION FOR SUSTAINABILITY

**Rebecca Ross**  
Deputy Head of Primary

This year we have continued with our mission of teaching Phuket's future leaders and innovators, the importance of sustainability. Timetabled lessons in the HeadStart growing garden have given the children the opportunity to experience what it means to grow their own food and all of the challenges that come with fertilizing the ground, watering, and keeping the bugs away. The children have

been rewarded many times this year with an abundant variety of delicious fruits and vegetables that they happily shared amongst themselves and their classmates.

*"To plant in a garden is to believe in tomorrow."*

— Audrey Hepburn

Design & Technology students in Secondary were tasked with creating designs that promote sustainability. Y7 students created cloth tote bags thus helping to reduce the amount of plastic waste that ends up in oceans & landfills. Y9 used scrap plywood to create pot holders using a laser cutter. By repurposing materials that would otherwise go to waste, the students were able to create functional and attractive products while reducing their environmental impact. The school's Eco Club has been working on creating new sheets for keyring fobs using recycled HDPE and PP plastic.

# THAI CULTURE IN THE CURRICULUM

**Pailin Issalam**  
Deputy Head of Thai Faculty

It is time to celebrate a fantastic year and many achievements with a big smile because we're not wearing masks! This year we have successfully organised many Thai activities and events such as Wai Kru, Loy Krathong, Songkran, Thai Parent Guest Speakers and Saturday Culture Club. Moreover, our Thai students have won awards in several categories at the Phuket Annual Academic Competition 2022 and The Thai Etiquette Competition. The highlight of this year is the Outstanding Effort Project that we have started to celebrate the Thai students who showed a great attitude towards their learning in the Thai First Language program. We were so proud of our students in the Thai ASP Dance Club, parents and Thai teachers who sacrificed their time to create a beautiful & impressive performance on International Day. The biggest highlight in the Thai department this year was that we were able to have an all school Songkran celebration for the first time in three years! There was food offering to the monks, a Long Drum Parade led by the parents and staff, a great performance from the Year 6 students & the Muay Thai show from Jada Ketley, a professional Muay Thai fighter and former student at HeadStart. We also had a Water Blessing Ceremony which everyone was very excited to participate in! We are proud to say that each year we continue to gain more success and I hope we will continue to strive for excellence in the coming academic year.

— Ms Pailin Issalam, Deputy Head of Thai Faculty

# SENIOR Prom

# HALLOWEEN

# INTERNATIONAL DAY

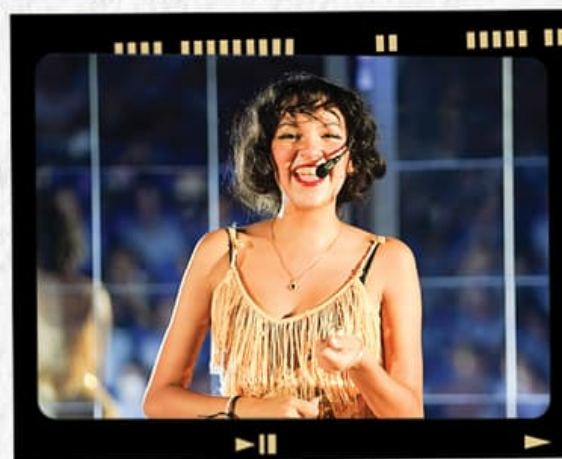

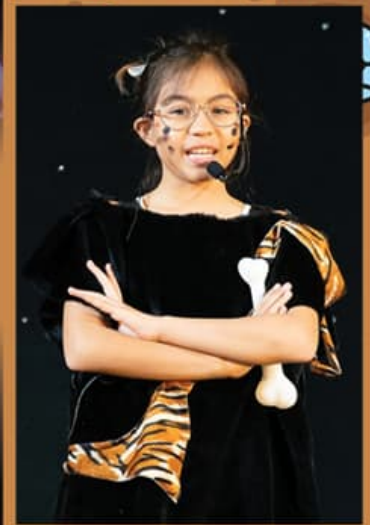

What a year for CAPA! It has been wonderful to return to a full schedule of performances and presentations after an extended hiatus. We have seen our students flourish over the past 12 months with opportunities to perform in our CAPA productions, Battle of the Bands, LAMDA showcase, Dance competitions and much more. This year saw the return of our CAPA Jr performance, after 3 years. This event involved over 200 students and a huge commitment from our CAPA and primary colleagues. This year also saw our students achieve two top awards from Cambridge: Top in Thailand (Drama-Grace Holtby) and Top in the world (Art-Sabrina An), we are very proud of these achievements and proud of the support and guidance our teachers provide to ensure the best outcomes for our students.

What has blown me away is the sheer talent at HeadStart, combined with dedication and hard work, this has resulted in fantastic performances. Our CAPA HeadStars are a constant source of inspiration and we are lucky to be able to see them flourish and develop, whether that is with a paint brush, a hammer or a microphone!

— Ms Alia Sillett, Director of Creative & Performing Arts

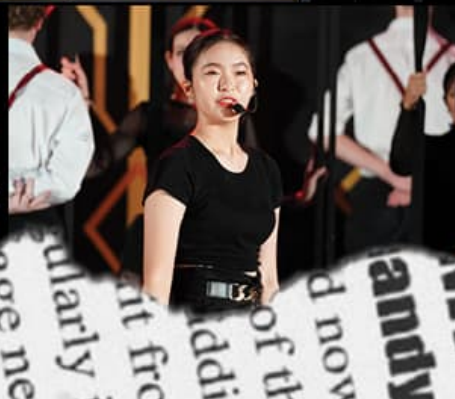

# CHICAGO

Performed by CAPA HeadStars

**Amina Van den Sanden**  
Head Dance Coach

What an amazing year it has been for the Dance Academy beginning with the successful CAPA production of Chicago featuring HeadStart Dance Performing Group A, the Rock Bottom show with all of Year 3-5 and of course the sporting events throughout the year where our cheerleaders showcase their skill sets. Many of our students also competed in ATOD where they received many awards. With big

events and competitions happening all year round, there are so many students that I've seen improve beyond my anticipation and no words can describe how proud I am of them all. Not only do I have an incredible team supporting the Dance Academy but also the student assistants who have been absolute stars this year; making their way to their own lessons and examinations yet also showing up professionally to assist. I'm certain that our end of the year Dance Recital 'Rolling in the deep' will be amazing as it is the result of all of the student's hard work throughout the year. I'd like to say thank you to all the students and parents for supporting the Dance Academy. Without your commitment, it would not have been possible. I look forward to next year and hope that we continue to grow and develop as we have this year.

— Ms Amina Van den Sanden, Head Dance Coach

# FUN IN FOUNDATION

**Natalie Walker**  
Deputy Head of Foundation

To the most wonderful Foundation children,

Each morning we are welcomed by the most beautiful smiles from each of you. Even when it feels hard, you persevere and try your best. We are so very proud of how hard you have worked this year and feel honoured to have watched you grow. From planting seeds in the garden, and creating huge rockets with blocks to learning to write your name and more, each of you has shown incredible skills. Reception, you will all do amazing in Year 1 and I wish you the best of luck. For the rest of the Foundation, I can't wait to see what you all do next and feel so lucky to be able to watch your journey.

# Year 1 BLUE

I have always said that teaching is the best job in the world and Year 1 Blue have helped prove that this year! Each child has brought something unique to our team and made our classroom a wonderful place to learn. We are so lucky to have watched them all grow into confident, independent and resilient learners. Above all, we have seen them support each other, value each other and laugh with each other. This class have been truly magnificent and we will miss them next year. Year 1 Blue, thank you for all of your hard work and for listening to Mr Young's terrible jokes. We wish you all the best as you move into Year 2. Remember to always try your best and keep smiling!

# Year 1 WHITE

Martina Tomic

Annie Cusworth

Ivy Carlos

Year 1 White, we are very proud of all the progress and effort you have made this year. We feel very lucky and privileged to be a part of your learning journey. Throughout the year you have demonstrated a lot of enthusiasm and curiosity for things around you and your learning. From the beginning, you have been fun, kind, and welcoming. We wish you all the very best on your new Year 2 learning journey! Continue to be inquisitive and resilient learners!

# Year 1 YELLOW

Year 1 Yellow, you have done a totally amazing job this year! Everyone has reached above and beyond any and all expectations we ever could have imagined. We are genuinely so pleased and also proud of all the progress you have made, and we feel totally privileged to have been your teachers this year. From the quiet and shy beginning, we have watched all your wonderful personalities bloom. You are all so talented and have a very bright future. We wish you all the very best on your Year 2 adventure and your new learning journey!

# Year 2 BLUE

Year 2 Blue, you have been a wonderful class and we feel truly lucky to have been your teachers this year! You have all worked incredibly hard, learnt so much and grown up such a lot from the little children who joined Year 2 all the way back in August. We have watched you develop into super mathematicians, scientists, amazing authors, historians, geographers and determined little readers! I am most proud of how you have all grown so independent and confident, even when you might feel stuck or sad. We will miss you lots next year, but we hope that you have another amazing year in Year 3!

# Year 2 WHITE

I am so proud of Year 2 White's dedication and hard work! It has been a pleasure to help nurture and support these students and see their unique and kind personalities shine through. We've come a long way since the beginning of the year and these students have truly left a mark on my heart; I can only hope I've done the same. Continue doing your best, and your life will be full of endless possibilities.

Year 2 Yellow, what an adventurous year it has been! From the tiny Year 1 children you were, to the tall Year 2 children ready for Year 3, you have been absolutely amazing! We have laughed, we have cried, we have lost our teeth and broken some bones but most of all we have had SO MUCH FUN! We feel so blessed to have watched you grow, learn and build your confidence every single day. We cannot wait to see and hear from you in the future when you become famous footballers, ticktockers, doctors and superheroes! We wish you all the best in Year 3!

# PRIMARY AWARDS 2022-2023

**Sam Khan**  
Head of Foundation and Primary

I am thrilled to welcome you to the Foundation and Primary section of our HeadStart Yearbook 2022 -2023. The challenges of the last few years seem well and truly behind us, and this year has seen a return to normal for our children and our community as a whole. We continue to provide our pupils with a nurturing, supportive learning environment in which to learn and grow. Nowhere more can we see this than in our capacity as a whole school community to welcome many new pupils and families this year from around the world. Something of which we can all be proud - pupils and parents. Our Foundation and Primary teaching teams have gone above and beyond to create engaging, challenging lessons that have helped our pupils to continue to make significant progress in their academic and personal development. Through our revised Personal Development and International Awareness curriculum, as well as themed weeks such as Kindness Week, our pupils have learned the importance of thinking of others and working together to achieve a common goal. With our gardening initiative, all our pupils have learned to appreciate the value of hard work and patience and the care required in growing food and looking after our environment. Our improved After School Programs and dynamic CAPA, and PE faculties have once again offered an array of opportunities for our pupils to showcase their talents and develop new skills as well as encourage taking greater responsibility, becoming more resilient, being adaptable, and being resourceful. It is with great pleasure that we celebrate the achievements of our pupils this year. We are all proud to acknowledge their academic excellence, positive attitudes towards learning, and the progress they have made.

— Mr Sam Khan, Head of Foundation and Primary

# Year 3 BLUE

Year 3 Blue, what a wonderful, wild and wholeheartedly fun year you have had. You've been lucky enough to have had two homeroom teachers and I have felt blessed that you welcomed me in so quickly, you have truly made me feel a part of HeadStart. We learned some important core values of resilience and conflict resolution, for which we even had a great time basing our class assembly around! It has been amazing to see all of you embrace what it means to have a growth mindset and we really hope you continue to challenge your brain in Year 4! Good luck for the rest of your Primary journey!

# Year 3 WHITE

Year 3 White, what a year we've had! We couldn't have asked for a better class this year - your infectious laughter, jokes and enthusiasm have brought a smile to our faces every morning! We have accomplished so much this year, and made a lot of memories such as Stone Age Day, our trip to Phuket Town, Sports Day and our class assembly. Each of you has brought something unique to our class, and we have loved watching you grow as respectful, diligent learners. We wish you all the best as you move onto Year 4, and we will miss seeing every one of you every day. Keep up the great work as you progress through school!

# Year 4 WHITE

It has been our privilege to watch you all grow in confidence and develop your skills, knowledge and understanding over the year. You've all made progress on your own, individual learning journeys yet for us, it is more than just your academic development that we recognise. It is your growing resilience and continued motivation. It has been our pleasure teaching you, guiding you and learning with you; thank you for bringing your curiosity and enthusiasm to everything we did. Back in August, we started with quite a few new faces to HeadStart; one year on and you're leaving Year 4 with an even bigger group of friends! We are looking forward to hearing about the wonderful things you go on to achieve and we wish you all the very best in Year 5, whether you are still here or in a different school.

# Year 4 YELLOW

Year 4 Yellow, it has been an absolute pleasure to be your teacher this year. Watching each of you grow and develop has been truly inspiring. Your enthusiasm for learning, your kindness, and your sense of humour has made this year one of my favourite yet as a teacher! I am so proud of each of you for the progress you have made this year. For some of you, this has been academically; for others, it has been socially or emotionally. As you move on to Year 5, I hope that you will remember the fun that we had together as a class in Year 4 Yellow. I have some wonderful memories of our trips to Soi Dogs and Big Buddha, the hilarious Taskmaster lessons and, most recently, our water fight at Songkran! Good luck for the rest of your time in HeadStart!

# Year 5 BLUE

What a year we have had! Since our first day together way back in August 2022, you have approached every day with laughter, smiles and a very cheeky sense of humour! Who could forget our Space assembly? Especially the out-of-control asteroid that nearly destroyed our show and when we rick-rolled Uranus! Or our science investigations with Mr. Barbie's ex-girlfriend playing the part of stuntwoman for our parachutes? We also shared wonderful experiences on our field-trips, including challenging ourselves to conquer our fears to climb to the top at Rebel Rock Climbing, soaking each other to the bone during our Songkran water fight! With determination, perseverance and some wonderful silliness, you have achieved much this year and I look forward to seeing you all continue to grow and mature as you make your way into Year 6!

— Mr Alex Bell and Ms Divine Gogo

# Year 5 WHITE

Year 5 White, what a year we have had! From the outset, you have demonstrated a willingness to learn, shown perseverance and no little enthusiasm; from the memories we made at Rebel Rock Climbing to your fascination while conducting our scientific investigations and splashing our way through the Songkran water fight! Thank you for all the amazing times we have shared. You are curious, playful, funny, determined and capable and, although I might have a few more gray hairs as a result, I will think of our time together fondly. It has been an honour and a privilege to be your teacher. I am so proud of each and every one of you for all that you have achieved and wish you nothing but the best as you head off to Year 6!

# Year 5 YELLOW

This has been a wonderfully uninterrupted year in which we've been able to enjoy a return to the full range of social, cultural and sporting events which make the school a community. Ms. Jo Ann and I have had the pleasure of working with a group of friendly, supportive and enthusiastic learners to develop their talents and sometimes even discover new ones. It has been lovely to watch the growth of young scientists, authors, mathematicians, artists and athletes throughout the course of the year. It has also been great to see children developing personal characteristics such as determination, resilience, curiosity, generosity and kindness. I wish all of this year's Year 5 Yellow class success as they move through the school and hope that they come back to visit sometimes!

# Year 6 BLUE

Well Year 6 Blue, what a year it has been! One filled with lots of learning and a ton of laughter. Thank you for being such an incredible bunch of young people and bringing so much joy to the classroom. We have watched you grow in confidence and maturity so much over this year and you have made us so, so proud. I have known some of you for a very long time and on one hand, I cannot believe it's now time for you to transition to Secondary. On the other hand, I know you, like all of Year 6 Blue, are so ready to continue making your mark on the world and will achieve amazing things in secondary and beyond. You are the future scientists, writers, artists, designers, programmers and change makers of the world and I know you will grow to be inspiring teenagers and adults. Keep working hard, keep helping each other, and keep smiling. I have really missed teaching you in this last term and I will miss you next year. Make sure to come and say hello and please know that you have made me so proud!

— Ms Kirsty Hark and Ms Hydie Tuldague

# Year 6 WHITE

I cannot believe that I am sitting here writing this message when it only seems like yesterday that we all walked through the door of Year 6 White, embarking on this new chapter in our lives together. For some of you, I have had the privilege of being a part of your learning journey for not just one, but two years (you lucky things); but you know what they say: 'Time flies when you're having fun!' We've shared plenty of laughs and a few tears, but above all, we've experienced a tremendous amount of growth and learning together; I am incredibly proud of each and every one of you. You are all an extremely talented group of individuals who have the potential to achieve great things - just remember to always be true to yourselves, follow your passions, and never give up on your dreams. Congratulations on completing your Primary journey; I wish you every success for Secondary and beyond.

— Ms Carla Whitehead and Ms Hannah Soriba

I was very surprised when I got chosen to be the Head Girl. Even though I wasn't very enthusiastic, I am glad that I could help. Being Head Girl was a fun experience and I enjoyed it very much. I am relieved to make decisions that I don't regret. Thanks for giving me a chance to try something new.

# Year 6 YELLOW

Where do I even begin Year 6 yellow? There really has never been a dull moment with you guys! This year has been full of memories and laughs and I certainly won't forget you lot in a hurry. It has been a real blast guiding you bunch of hilarious personalities through your final year as a Primary student. I have absolute confidence that no matter what happens, you will all have an amazingly bright future and you're all ready for the next step in your journey. My only worry is, is, the next step ready for you?

— Mr Sean Clarke and Ms Ayce Rico

I have really enjoyed being Head Boy this year and running the Student Council with my fellow classmates. I have many hobbies but being the Head Boy was the most exciting and rewarding experience. I have enjoyed helping to organise many events and I have had an enjoyable time delivering speeches to my fellow students at the Wai Kru ceremony and presenting Student of the Month certificates during Flag Raising. I have developed my leadership and communication skills and I have learnt to never be scared as things will always work out.

# The Football Academy

The 2022-23 year has been extremely rewarding for us all as we were able to push the football programme even further as we settle back into some normality after the pandemic. One of our main aims for this year, along with the constant improvement and development of the players, was to allow each team the opportunity to compete in highly competitive international tournaments outside of Phuket. With the fantastic support of parents and coaches we were able to achieve this mission. Once again, this year we were able to add strength and conditioning training sessions for our academy players and also the added goalkeeper sessions which has grown in popularity and we now see both the boys and girls regularly

training on their specific positions. We have also managed to increase the football participation with the introduction of the U11 Girls team who participated in the Soccer 7s tournament and the VAP Football U11s who have played recent friendly games. We have an amazing footballing community here at HeadStart and we thank all of the mums, dads and the staff teams for your amazing contributions to our events. These achievements have only been possible because of the immense support that we receive. The Football Academy is always looking to provide the best possible programmes for the players, as well as a fun and challenging environment for all. We are again extremely proud of all the players, so well done and always remember NGU!

— Mr Stef Frost, Head Football Coach

# The Swimming Academy

The Aqua Panthers had a spectacular season that kicked off quickly and kept going. Despite a high meet load in the first term, our team remained resilient and committed to growing as swimmers and individuals. Our athletes made the most of every opportunity to refine their techniques and achieve personal bests. Even more impressive, we hosted our first Aqua Panthers Invitational, another first earned by the swim team in HeadStart history! Seeing our own Aqua Panthers race against 200 other swimmers in our home pool was truly a special experience. The Swim Academy also rallied together for a great cause during our 12-Hours to Make a Difference, raising an incredible 94,570 baht for Oceans for All. Throughout it all, our swimmers demonstrated exceptional discipline and determination, both in the pool and beyond. We can't wait to return stronger than ever in 2023-2024. Here's to another great year of swimming

— Mr Zachary Brown, Head Swim Coach

# SPORTS DAYS

Well done to all the students who have competed in sports days this year. Students throughout the school took part in a number of different events ranging from traditional running, jumping and throwing events to more challenging, fun and exciting team events. It was great to see so many of our students showing grit and determination to perform at their best during the competitions. A big congratulations to the Red house who were overall winners for the sports days, well done Phoenixes!

— Ms Lucy Wilson, PE Coordinator

Lucy Wilson

# HOUSE NEWS AND COMPETITIONS

**Michael Marx**

Working with a community of wonderful students has been a truly rewarding adventure. Through every challenge and house activity thrown their way, all houses and all students showed endless energy, creativity, and curiosity to overcome any hurdle in their way. A big thank you to the Primary and Secondary House Captains for always having bright smiles, contagious laughter, and for always being ready to offer a helping hand. Thank you for being awesome and for countless fun moments this year.

— Mr Michael Marx, PE Teacher & House Coordinator

# SPORTS IN THE CURRICULUM

**Nick Carter**  
Director of Sport

Finally, after two years of Covid-induced obscurity, all of our sports programmes, ASPs and PE curriculum have been in full swing again this year, and what a year it's been! Our PE coordinator, Ms Wilson, continued to push our broad and balanced PE curriculum, by introducing new activities, such as table tennis and archery, and continued to upskill our PE teachers with regular training to ensure our

team continue to deliver top notch classes. This year all students were introduced to Touch Rugby during our very successful PE Faculty Week, the Touch Rugby World Cup, which culminated in the ever-popular 'Sponge the Teacher' event. We welcomed Mr Belavusau as our new associate PE teacher and assistant basketball coach, who supported our head basketball coach, Curtis Morning (also a new member of the team), to ensure our heavily expanded basketball programme continues to thrive. The newly revamped basketball teams competed in the Basketball 21 and Ghin Pak tournaments, as well as hosting our very own HeadStart Invitational Basketball cup. PISAC events were, as always, a wonderful opportunity for our students to meet and compete in fun, competitive events with the students from other international schools on the island. Our sporting community continues to unite with parent fitness classes as well as Coach Erik Bohm's community fitness sessions.

The 12 Hours to Make a Difference event fully united our sporting community this year, with the Swimming and Football Academies being joined by our growing basketball teams. Our combined efforts resulted in raising a total of 186,667B for the Oceans for All Foundation. Well done everyone for a fantastic year of sports and PE!

— Mr. Nick Carter, Director of Sport

## THE DUKE OF EDINBURGH'S INTERNATIONAL AWARD

The Duke of Edinburgh programme this year has been a real challenge for our students. Year 12 students have learned the skills to be able to sail as part of their Silver Expeditions. Year 10 students have recently completed their Bronze Expeditions in which they were kayaking. They have been learning different strokes to be able to paddle over 10 nautical miles a day around Chalong bay and Koh Lon. On top of the expeditions students have been working towards their goals in terms of community service, developing a wide variety of skills from playing musical instruments to baking a wide range of treats for their assessors. Students have also been working on their goals for physical activities from Dance to Touch Rugby, Football and Swimming. I would like to congratulate all of the participants this year for their hard work and dedication to completing their awards.

— Mr Dale Benham, Bronze Award Coordinator

**Dale Benham**  
Bronze Award Coordinator

# ACADEMIC ACHIEVEMENTS

**Timothy Davidson**  
Deputy Head of Secondary (Academics)

In the summer of 2022, HeadStart's Year 11 and Year 13 cohorts took their first full set of external examinations in three years. With the question of how well they would perform looming, it turned out that both the students and the school were well-prepared for these high stakes examinations. The results were exceptional and a testament to the hard work and dedication of the students, who persevered through challenging circumstances. Among the achievements were an outstanding 39% A\* to A grades and a 100% pass rate for the IGCSE students, 39% distinction or above and a 100% pass rate for the Year 13 BTEC students, and 36% A\* to A grades and a 98% pass rate for the A-level students. These impressive results set a high standard for the current Year 11 and 13 students to aspire to. Although the grades received on results day made headlines, the true inspiration came from the students who pushed themselves beyond their limits to achieve success during difficult times. The banners displayed below showcase some of the highest-achieving students of the year, and we would like to extend our congratulations to all the students, parents, and teachers involved for their remarkable efforts in making these results possible. Well done, everyone!

— Mr Timothy Davidson, Deputy Head of Secondary (Academics)

HIGH ACHIEVEMENT

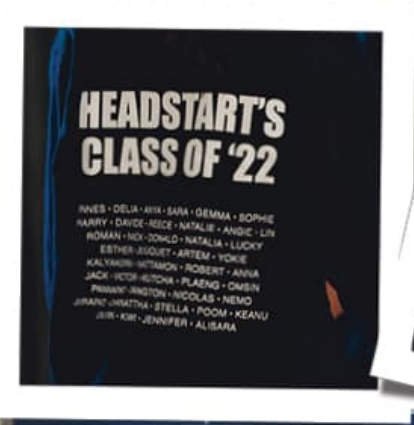

# GRADUATION 2022

# SECONDARY AWARDS 2022-2023

As we approach the end of another remarkable year at HeadStart, I am filled with immense pride and gratitude for the outstanding achievements and contributions of our talented students. Once again, our Secondary students have demonstrated their exceptional talent, creativity, and dedication across various aspects of school life.

One of the highlights of this year was the breathtaking CAPA show, CHICAGO, which showcased the incredible talent we have at HeadStart. Our singers, dancers, actors, and musicians delivered stellar performances on stage, accompanied by our biggest and best student orchestra to date. The two sold-out nights were a testament to the immense talent and passion within our school community.

Our students also embarked on exciting and enriching trips this year. Year seven enjoyed a packed residential trip in Phuket, while year eight immersed themselves in the beauty of Khao Sok National Park. Year nine had an incredible adventure in Chiang Mai, exploring its culture, people, and engaging in thrilling outdoor activities. These experiences not only broaden their horizons but also fostered teamwork, resilience, and personal growth.

This year, we welcomed numerous new students into our HeadStart family, and I am thrilled to witness the warmth, kindness, and support that our existing students extended towards them. Our student leaders have played a significant role in creating an inclusive and supportive atmosphere throughout the school. From Prefects to Student Council members, committee heads to the Deputy Head and Head Boy and Girl, they have exemplified what it means to be emotionally intelligent and kind individuals. Their leadership in organising events such as the Halloween Party, School Prom, and Lunch Bunch activities will always be cherished memories.

Our students' achievements extended beyond the classroom as well, with successful football and swimming trips to Bangkok and local competitions in Phuket in basketball, cross country, swimming, and football. Furthermore, we witnessed exceptional individual performances in tennis, golf, badminton, and martial arts. Our students' remarkable talent and success were also mirrored in their academic pursuits. This year, HeadStart students excelled in their exams, with 14 students achieving the highest marks in Thailand. In an unprecedented achievement, one of our students even scored the highest marks in the world! Congratulations to all HeadStart Secondary students for making this year an unforgettable milestone in our school's history.

As we reflect on the incredible journey we have shared this year, I would like to express my deepest gratitude to our dedicated teachers, supportive parents, and, most importantly, our exceptional students. It is their unwavering commitment, passion, and hard work that continue to make HeadStart Secondary School a place of excellence and growth.

I wish you all a restful and rejuvenating summer break. May the memories and achievements of this year inspire and propel us towards even greater heights in the coming academic year.

— Mr Richard Lukats, Head of Secondary

# YEAR 7 BLUE

Dear Wonderful Year 7 Blue-ers,

Thank you for your hard work and dedication throughout this year. You have impressed me with your enthusiasm, creativity, and passion for learning. Each of you has brought your unique talents and perspectives to our classroom, creating an engaging learning environment. You have shown that Year 7 Blue is more than just a number and colour, but is a close-knit community of fantastic young adults. Wherever your journey takes you, I know you will make a positive impact on the world. Congratulations on a job well done, and best wishes for a happy and successful new year!

# YEAR 7 WHITE

Dear Year 7 White,

As the school year comes to a close, I wanted to take a moment to express my gratitude to all of you for making this such a fun and engaging homeroom. Your energy and enthusiasm for learning have made each day a pleasure, and I have truly enjoyed watching you grow and develop throughout the year. I particularly want to thank you for always being willing to engage in interesting debates and discussions, challenging my own ideas and pushing me to see things from new perspectives. Your curiosity and willingness to ask questions has kept me on my toes and made me a better teacher. Finally, I appreciate your willingness to listen to my ridiculous stories and indulge my occasional silly jokes. It's always great to have a group of students who can appreciate a good laugh and who are not afraid to let loose and have some fun. Thank you again for a fantastic year. I wish you all the best in your future studies and hope that you continue to approach life with the same curiosity and enthusiasm that you brought to our classroom.

# YEAR 8 BLUE

Dear Year 8 Blue, It has been another whirlwind of a year that we have been through together and it seems to have gone by in a flash. It feels like one week you were my little Year 7's and the next week I was surrounded by a group of teenagers! Something which I'm sure your parents will relate to. We have had some great fun, including an awesome trip up to Khao Sok National Park and it has been a privilege to continue to get to know each of you as your homeroom teacher. I look forward to seeing what further amazing things you can all achieve in Year 9!

# YEAR 8 WHITE

Dear Year 8 White students,

As we come to the end of this school year, I want to take a moment to reflect on the past few months we've spent together. When I arrived here in Thailand, I was a bit nervous about starting my first year of teaching in a new country, but you all made me feel so welcome from the very beginning. I have been so impressed with your kindness and helpfulness throughout the year. Whether it was showing me around the school, helping me understand cultural customs or simply greeting me with a smile and a wave in the hallways, you have all played a big part in helping me feel settled and supported in my new role. One of the things that stands out to me is how you have welcomed me into your classroom and allowed me to get to know you better. You have shared your stories, your interests, and your passions with me, and I have learned so much from each one of you. I feel grateful to be your teacher, and I am constantly inspired by your curiosity, your enthusiasm, and your commitment to learning. As we prepare to say goodbye for the summer, I want to thank you for being such wonderful students and for making my first year at Headstart such a memorable one. I hope you all have a fantastic break, and I look forward to seeing you in the new school year.

# YEAR 8 YELLOW

My Year 8 Yellow Nguyen-ers,

It has been an absolute pleasure learning and growing with you the last 2 years: from tiny little faces on the screen at the start to now full face smiles in person. I know the transition from Primary to Secondary was not the easiest, but look at y'all now! It has been a crazy journey of ups and downs, but I can't be more proud of the students you have become today. Though some of you have a bit more growing up to do, I know that you all have great potential in becoming whatever you set your mind to. Unfortunately, I will not be here next year to see you move on to KS4 or to graduate, but I wish y'all the best of luck! -Love,

# YEAR 9 BLUE

Dear Year 9 Blue,

There have been some challenges this year but also lots to be thankful for. School has returned to normal after Covid and you have welcomed some new faces into the home room. The highlight of the year for me was definitely our trip to Chiang Mai – I really enjoyed getting to know many of you better and will certainly remember the raft trip where we were squirted by the elephant. We are nearly at the end of KS3 and you have already chosen your subjects for next year, so it is on to the next phase of your education where you will be studying for your IGCSE's. I wish you all the best of luck and good times for the future. Look after each other and be kind to yourselves.

# YEAR 9 WHITE

Year 9 White: It has been an absolute pleasure being your homeroom teacher this academic year. From the moment I stepped into the classroom as a new HeadStart teacher in August, I was greeted with warm smiles and open arms, and I felt immediately welcomed by all of you. As your homeroom teacher, I have had the privilege of watching you grow and develop into the remarkable young individuals that you are today. I have been continually impressed by your dedication to your studies, your commitment to your peers, and your eagerness to learn new things. Throughout the year, you have faced many challenges, both academic and personal, but you have demonstrated remarkable resilience and determination in overcoming them. You have shown a great willingness to support and encourage each other, and I am proud to have been a part of this incredible journey. I am confident that each and every one of you has a bright future ahead, and I look forward to hearing about all your future achievements. It is a real honor to be your homeroom teacher.

# YEAR 9 YELLOW

Dear Year 9 Yellow,

Congratulations on completing your KS3 education! It's hard to believe that it was only a few years ago when I welcomed you all as nervous new Year 7 students into Secondary. Since then, you have all grown so much, and it has been my pleasure to be your homeroom teacher throughout the journey. While we had to say goodbye to some of our homeroom members along the way, we also welcomed ten new students this year, adding to the dynamic and unique homeroom experience we created. My highlight from this year was the Chiang Mai trip, where I got to know some of you better outside the classroom. I wish you all the best as you move on to your KS4 journey next year. Keep up the great work and continue to pursue your goals with passion and dedication.

— Ms Letitia Bekker

# YEAR 10 BLUE

My dearest delightful teens of Year 10 Blue,

This has been quite an eventful year, with the challenges of our first year post-Covid and a lot of changes of students. It has been wonderful to get to know so many new faces this year, but equally it has been deeply sad to say goodbye to so many as well. I am consistently impressed with you as a group of young people, with your positive attitude and willingness to engage in new challenges and concepts. Two areas that have particularly impressed me have been how you handled Duke of Edinburgh, and your mature approach to some of the more adult topics in PSHE. This approach to new ideas and difficulties will set you up very well for your future and I am sure this will continue into the new year. I am looking forward to taking on IGCSE with you all next year and I hope you all enjoy a well-deserved rest!

# YEAR 10 WHITE

As we approach the end of the academic year I'd like to thank 10W for being one of the best homerooms I've had in my time at Headstart. Throughout the year I've heard constantly good feedback from other teachers about you both in and out of school and feel very lucky to have such a great collection of people in my homeroom. Even Mr. Benham made special mention of your excellent conduct on the Duke of Edinburgh trip this year. Rare praise indeed. You've all worked hard this year and if you continue with this spirit into next year it will guarantee you the success you all deserve in Year 11.

# YEAR 10 YELLOW

A small poem for Year 10 Yellow

You do everything with flexibility and ease whether your reading to Year 3,  
finding the country in Globle or having deep discussions in PSHE

I'm proud of the humans you are becoming and of all the resilience you've shown,  
taking on all the exam pressures and on Thursdays giving me your phone

Thank you for being your amazing selves I hope you're proud of the year you have had,  
let's celebrate with a glitter station because it's really not been all that bad.

# YEAR 11 BLUE

Year 11 Blue - by the time you're reading this you will have finished your IGCSE exams - congratulations! It seems like yesterday that we gathered as a homeroom for the first time back in 2021. You've grown and learned so much over the past few years, and I'm so impressed with all that you have accomplished. I wish you the best of luck as you move on to A Levels, BTECs, working life or whatever else you decide to pursue. I'm sure you will all make a positive impact wherever life takes you, and I look forward to hearing about all of your future successes.

# YEAR 11 WHITE

It has been a pleasure to be the homeroom teacher for Year 11 White this year and has been wonderful getting to know you all. I have been continuously impressed by your relaxed attitude towards the challenges you have faced this year. I am proud of the young adults you all are becoming and how you pursue your passions and adventures. Our homeroom is full of talented and kind young adults and it has been amazing to share in your sporting, academic, musical and creative success this year. Good luck with your IGCSEs and the exciting futures you have ahead of you.

# YEAR 11 YELLOW

It has been an amazing two years for Year 11 Yellow. From the start of their IGCSEs during a Covid lockdown, they have worked hard, studying and striving to achieve their goals. As they come to the end of KS4 studies, they can look back with satisfaction on their hard work, and in the knowledge that they have pushed themselves to their limits and achieved great things. The successes of this year group have been celebrated throughout the school and beyond, and the friendships and memories that have been formed will never be forgotten. I have especially enjoyed learning about their taste in music and listening to some of them perform. Year 11 Yellow will now move onto A level and BTEC studies, taking the skills, knowledge and determination that they have developed throughout their IGCSEs with them. Good luck Year 11 - you have done us proud!

# YEAR 12 BLUE

Year 12 Blue. A real mixture of characters with some very talented and focused individuals. I am hoping, and expecting that all AS Level students to thrive in their final examinations, and, additionally all BTEC students to pass their coursework with flying colours. There are some wonderful young minds in this cohort who have been open to new ideas all year and who have shown tremendous potential to be great global citizens of the future. Life is a journey, and learning is a journey too. A new year awaits with further development and progress to be made. So I would like to thank each and every one of you for making this an interesting and exciting time. I look forward to seeing you all develop further. Keep up the energy!

# YEAR 12 YELLOW

Year 12 Yellow! What an interesting bunch you are. It's been an interesting year of square cows, blob and mini eggs! You have all stepped up to the challenges of Year 12 and are doing an awesome job. Keep up the hard work (and stop procrastinating!). It has been wonderful getting to know you all, thank you for making my first year at HeadStart a memorable one, you never fail to make me laugh and I can't wait to see what you all accomplish this year and beyond.

# Year 13 Blue

Sara Wilson

Congratulations Year 13 Blue, you have made it to the end of your A-level and BTEC studies. You have been the most wonderful homeroom to greet every morning. Since meeting you in Year 10 and getting to know you all, it has been a distinct pleasure seeing you each come into your own and become impressive young adults. I am so proud of you for your achievements and your contributions to the school. I hope you enjoy the next exciting steps in your lives and that you remember the meaningful memories you have made during your time at HeadStart. We will all miss you, but we can't wait to see what you do to change the world. I wish you the best of luck and thanks for all of the laughs.

— Ms Sara Wilson

# Year 13 Yellow

**Emma Marsh**

As we come to the end of a successful academic year, let us take a moment to celebrate the beautiful diversity that makes us who we are. We are a community of individuals with different backgrounds, cultures, beliefs, and talents, and it is this diversity that has enriched our experiences and perspectives. Remember, in the words of Maya Angelou, 'We are more alike, my friends, than we are unlike.' Let's continue to embrace our own authentic selves, I want to remind you that your voice matters! Your opinions, your experiences, your hopes and dreams - they are all important and they deserve to be heard. Never forget that you have the power to make a difference, to inspire change, and to create a better future for all by cherishing your differences and uniting in your common goals. So, as we leave this chapter behind and move forward into the next, let us carry with us the knowledge that we are capable of making a difference. Let us be the change we wish to see in the world. Congratulations on all your accomplishments, and here's to the bright future ahead!

— Ms Emma Marsh

**Indu Bedi**

Dear Year 13s, it has been a pleasure and honour to see you grow into the fine young people you have become. Like your predecessors, you set the bar high in so many ways, academics, the kind of people you are and your 'joie de vivre'. I have enjoyed my daily banter with many of you, whether first thing in the morning or at the end of the day; working with you to plan your future and problem solving with you when things felt a bit stuck. You submitted close to 100 university applications between you; you have inspired me, and I am sure many others, by your commitment to your own success. The offers have been rolling in and I am confident you will achieve the grades you have set your sights on. You have been loyal friends to each other and modelled how to have fun whilst working hard to achieve your goals. Thank you to Ms Tuppen, the Homeroom Teachers and subject teachers for their hard work and dedication in getting you to where you are now. Thank you to the student Leaders, especially Keira, Carry, Alicia, Giacomo, DY, and Linda; your energy to galvanise your own year group, the Sixth Form as a whole body, Student Leadership and the school community when needed has been awesome. I will miss your humour and the maturity with which you approached challenges you have faced. I am so proud of all of you and will miss connecting with you on a daily basis. You have an exciting future ahead of you, I wish you the very best life can offer. You truly deserve it. Stay true to yourself and remember you have so much to offer the world. Stay in touch and come back to visit.

— Ms Indu Bedi, Deputy Head of Secondary (Sixth Form)
